We had a good turnout and great weather for our August match with around 35 entries for the day. Our August match was dedicated as the Harold Smart Jr. memorial match. Harold was one of the founding members of the Logan Handgun Association nearly 40 years ago and remained a very strong active supporter of the club till his passing earlier this year. We thank all those who came to shoot and honor Harold with their presence and donations. We wanted to add a little fun to the match to mark the occasion so we set Ole Super Chicken out there and challenged anyone to take him off his perch with a Handgun of any size or caliber. Super chicken is a special chicken and strikes fear in all who challenge him since he is 2 inches thick, has an oversized foot, sits on a wide base at 200 meters and weighs in at 51 pounds. For 5 bucks you get all the shots you want in a full relay. The rules were to shoot safe, have fun and any proceeds go to range improvements. At the end of the day, many tried but ALL failed to take Super Chicken off his perch with a handgun and he thanks you for your donations.

Since this seemed to be fun and fairly popular we will provide a target at our last few matches for handguns or rifles as a fun side match to raise a few bucks and possibly give shooters a chance to sight in their hunting rifles.

It was great to have Kate Smart and her husband Lucas both at the match to shoot and accept the plaque made in memory of her father Harold.

Thanks to Doug and April Edney for making the long drive over from western PA. to shoot with us.

Our next match is September 23rd, hope to see everyone there and don't forget to throw in that rifle or handgun for the 200 meter side match.

Till next month, safe shooting, Steve
