We had a great September match with just over 30 entries for the day despite the unusually high temperatures that hit the low 90s before the day was over. In big bore Bruce Smith went back to old school and shot production with his TC 357 and cast bullets. Brian Evans came up one short in unlimited iron sight while Steve Powell and Lynn Shultz duked it out in UAS Int. coming down to the shoot offs. The small bore and field pistol line was busy all day long where the bulk of the entries were. Gordon Lash shot the only small bore 40x40 in UAS and we had several great field pistols scores shot as well. We had a couple non members shoot with us this month, Kiley Walker daughter of Marshall Walker shot a couple consistent small bore entries, a 28 backed up with a 29, great shooting Kiley. Former member Ross Sellars shot a couple big bore unlimited entries after a long gap of not shooting. Welcome back Ross, hope you can make it back to shoot with us again. October 28 is our last match of the season for the Logan Handgun Association so mark your calendars and hopefully all can make it to the last one of the year. Till next month, safe shooting, Steve
