This was our last match of the year and despite the temperature only peaking to the low 40s we did have about 20 entries for the day. Everyone must have been working hard to end the year with a good score because we did have 3 perfect scores fired in various classes. Bob Ochse shot a 40 and half the little ones in big bore U-INT and Lynn Shultz had a 40 and 8 in big bore UAS-INT. In small bore Gordon Lash came close to a 50 with a 40 and 9 in UAS-INT. Great shooting in tuff conditions guys! We start shooting again in March of 2018 so get all your gun modifications and reloading done for next season. Till then, have a safe and healthy winter and we will see you in the spring. Safe shooting, Steve
