We had absolutely perfect weather conditions for our September match with nearly 40 entries for the day. The scores were outstanding too with a total of 8 40x40s shot in various classes. In BB U-INT Bob Ochs, Brian Evans and Bruce Smith all shot 40 plus 4 shoot offs with Bob Ochs taking the win by reverse shoot off count. Reverse shoot off count was also needed for Lynn Shultz to take the top spot in BB UAS-INT over Steve Powell and Tom Wood who also had 40s. It's the first time in the last several years I can remember so many close scores decided by our unique reverse shoot off score system so I guess it works as designed. Steve Powell went on to shoot a UASHS-INT 40 plus 8 shoot offs. Good shooting guys! In SB Jim Kesser used an interesting sight set up to shoot a great P-INT 39x40 using his FA in the flop position. Marshall Walker knocked on the international door again this month in UAS-AAA with another 39x40. In FP PAS-AAA Bill Urbank hit 29, one more than Brian Evans 28 for the win. It was a great match with several close scores decided by one target and shoot of count to make the competition great. Congratulations to all. As always a big thanks to all who helped set up and tear down the match. It is greatly appreciated as well as your generous donations to our 4H target setters. Thank you very much! October 26th is our last match of the year so mark your schedules now and let's make it a good one weather permitting. Till then, safe shooting, Steve
