We had a great day for our 1st match of 2020. Bob Nale was top score in 1/5th scale scope rifle. Dale Sherman was top score in 1/2 size rimfire scope rifle. Dave Edney had high score in 1/2 size rimfire iron sight rifle. Paul Viola was high score on the centerfire iron sight rifle targets. Our next match is in August and the score sheet will be a little different since the NRA should be accepting scores by then.

As always, the help before, during and after the match is greatly appreciated.
