We had a cool overcast and breezy day for our last match of the year at LHA with around 25 entries for the day. In big bore Bob Ochs finished out the year with a 40x40 in big bore unlimited iron sight with a new load. In small bore Gordon Lash wrapped up the year with a UAS 40 plus 7 and backed it up with another 40 in iron sight. Unfortunately he was only able to score a 39 due to one turkey that appeared to have a decent hit but absolutely refused to fall. Sorry Gordon but sometimes bullets and targets just don't play well together! Unfortunately we did have a few DNF'S and malfunctions that affected some scores this month. Overall we did have a great year and we thank all shooters who continued to support us this year despite the covid concerns and other conditions. Let's all hope for a safe and healthy winter and we will see everyone in the spring with new guns new loads and other new goodies Santa may bring? Till then, safe shooting and good health. Steve
