IHMSA Board of Directors Meeting  
10 July 2023

Present: Doug Edney, President; Rich Hawkins, Vice President; Dell Taylor, Region VI; John Richards, Region V; Brian Gildea, Region III.

Called to order 8:15 AM

Warren Alkire recorded the notes even though he was not a Board member.

1. The Board members reviewed the minutes of the previous meeting.
  2. President's Report, Doug Edney
    - a. Mr. Edney shared that his work with a youth shooting organization reminded him of the need to emphasize muzzle control and safety at the event. He suggested that future events start with a safety briefing to remind the competitors of the importance of everyone being safe.
    - b. Mr. Edney thanked Rich Hawkins and the Riley Conservation Club for hosting the event. Mr. Edney especially noted Bob Hargis, Jim Kesser, Mark Basham, Cody and Alexis Hall-Stout and the target setters. Mr. Edney also thanked April Edney for cooking and being mom.
    - c. Mr. Edney announced he is willing to continue as president for another year especially to be able to finish up dealing with the issue with the IRS.
  3. Vice President's Report, Rich Hawkins
    - a. Financial report – organization is in good shape. Approximately \$150,000 in the bank.
    - b. Mr. Hawkins noted that Bob Hargis has worked tirelessly to prepare for and run the event.
    - c. Not from a VP perspective, but from an organization perspective, Mr. Hawkins put in a proposal to amend the rule that can be read as prohibiting practice before the event. The board seemed fine with allowing practice if there is no practice once the match started. Mr. Taylor read the current rule which states "no shooting once the range is closed for setup". Mr. Richards noted that had practice not been allowed for this match, the problems that surfaced during the practice would have delayed the first day of the match.
      - i. Rule: Section IX, 4, e.
      - ii. Original rule reads:  
Once a range has been officially closed for preparation of a match, no practice will be allowed before or during any IHMSA sanctioned match other than the five-sighter shots as described above.
      - iii. Proposed wording to add to original wording:
- At championship matches and at the match directors discretion, practice may be allowed after the range has been set up on the day(s) preceding a championship match. There will be no practice time (other than 5 shot sighters) once the match has begun. The intention to allow this practice time must be announced as public information and/or in the match program at least 30 days prior to the match, and may be revoked if match setup is delayed.
- d. Recognizing the declining membership and the aging of most of our membership, the organization needs to have a serious discussion about an exit plan for the organization. A serious discussion is needed, but not on the Internet.
  - e. As a member of the Riley Conservation Club Board, Mr. Hawkins stated that the club would be happy to continue hosting the match. As an IHMSA board member, he believes the association would need to bump up the amount paid to Riley Conservation to \$2000 net paid to the club.
    - i. Mr. Taylor pointed out that offering a set amount for hosting the championship may encourage other clubs to step up to host the championship, which would be a good thing.
    - ii. Mr. Richards pointed out that IHMSA would need to have a specific set of deliverables for the amount (e.g., paint, target setters, etc.).
    - iii. Proposal: The IHMSA Board is offering \$2000 to Riley as host club for next year's match.
      1. Minimum of seven days
      2. Big Bore, Small bore, Field Pistol, air?
      3. IHMSA can offer stipends for line officers, gun registration, score entry, range setup separately.
      4. Still need to define parameters which may vary by club.
    - iv. Other clubs can also offer a proposal.
    - v. Need to make sure that the Board is covered by insurance for the match.
    - vi. It was decided to set up a meeting with the assembled competitors to present the proposal and see if other clubs would be interested in hosting next year.
  - f. Mr. Richards proposed that with the amount of money in the bank, the declining membership, and the likelihood of a limited life expectancy for the association, perhaps the championships should be offered with no entry fee.
    - i. A napkin sketch of the cost for a match is \$3500 which with the current bank

- balance would last over 40 years if other annual expenses were covered by the membership fees and sanction fees.
- ii. Shooters would need to have some buy in such as labor, so it is not totally free and allow for an equitable distribution of shooting spots.
  - iii. The waiving of championship fees would be mentioned as a benefit for the annual membership fee.
4. The secretary and treasurer positions remain open.
  5. Cindy Smith has fully paid her required legal restitution.
  6. An IHMSA membership has been revoked.
  7. Rules report, Dell Taylor
    - a. Australia would like to have rules amended to specifically mention IHMSA Australia for the Australian shooting organization. This would make it easier to have the Australian shooting organization release funds to IHMSA shooters to travel to the championship. Mr. Taylor stated it would be preferable to have wording that does not specifically mention Australia but covers all nations.
    - b. The Board asked Russell Mowles to submit a rule proposal.
  8. No reports from Brazil.
  9. No reports from Australia.
  10. Region 1, Allan Olsen, no report.
  11. Region 2, Steve Kuehl, no report.
  12. Region 3, Brian Gildea.
    - a. Has a new range since last championships, Cardinal Silhouette.
      - i. The club is part of a large corporation. Huge thanks to Bel fountain for helping get started.
      - ii. Mr. Gildea has agreed to host the ECC for 5 years.
      - iii. It was noted that berms need to be added.
      - iv. There were problems with the inaugural ECC match because of the lack of berms and losing a day because the range corporation had not reserved the range for that day.
  13. Region 4, Raymond Golden, no report.
  14. Region 5 John Richards
    - a. Picked up 5 or 6 new members that are proving to be really active.
    - b. A couple were picked up because of the air gun program.
    - c. The air gun program is producing more entries than powder guns.
    - d. Minnetonka Game and Fish are working on eliminating setup time and down time with air auto resets.
    - e. There are two clubs in Minnesota.
    - f. There is one club in Wisconsin, Marathon, paying sanction fees.
    - g. Oakdale gun club has started 1/5<sup>th</sup> scale.
    - h. Thanks to Rich and the rest of the Board for keeping things going.
    - i. Thanks to Doug and April for all the work and being the glue keeping the association together.
  15. Region 6, Dell Taylor
    - a. Idaho Falls is a fairly active club. They throw in lever action rifle to keep things going. It is the only club in Idaho.
    - b. IHMSA lost Black Canyon.
    - c. Matches are still being run in Tombstone.
    - d. Las Vegas is running matches.
    - e. Hawaii is still running.
    - f. Utah has no range and no possibility of getting one because of the bureaucracy of dealing with BLM and the access to the 600 yard range.
  16. Region 7, Open
  17. Region 8, Open
  18. The membership director position is transitioning to Cathy Hillyer. This is a non-board position. Thanks to April Edney for her past work doing this.
  19. April Edney is willing to keep doing the *IHMSA News*. One print issue annually and the rest online because of the cost of printing and postage. There is a stipend for this.
  20. Sierra Sportsmanship award.
    - a. Mr. Hawkins nominated Bob Hargis.
    - b. Mr. Taylor nominated Paul Habig.
    - c. The vote was to award this to Bob Hargis.
  21. Mr. Edney is working on a proposal to help match directors by allowing them to hold matches purely on swingers.
  22. The meeting adjourned at 10:00 AM.

2023 IHMSA CHAMPIONSHIPS RILEY CONSERVATION CLUB  
 RILEY, INDIANA Rich Hawkins, Host Director

We were very pleased to once again host the IHMSA Championships here in Indiana. The match ran smoothly with some great target setters keeping us on schedule. The impact lights worked well again, and switching out full size for half scale targets during the match took only a few extra minutes. Attendance and entries were comparable to last year with 249 entries, and category champions hailed from seven of the nine states represented. Congratulations to Jared Richards who repeated as Iron Man Champion and added the Anschutz Unlimited Champion to several category wins. Equally impressive was the number of shooters showing their overall ability with aggregate scores for the Presidents 60, 100 and 140 clubs. How good? Imagine shooting a standing agg of 99x120 and coming in second! Big Bore had 5 shooters in the 100 club, one in the 140 club, and one with 60 Standing. Small bore had 3 in both the 100 club and 140 club, and 4 with 60+ in Standing. Field pistol had 4 shooters with 99+ hits, converting to well over the minimum 60 for Standing club. Congrats to Lynn Heckaman with his first perfect score in Air, and going on to hit all 10 shootoffs to win Air UAS. Junior shooters...all had attitudes, namely, they show no mercy on their elder competitors. If you want to beat them here, you better bring your "A" game cuz' they're bringing theirs!! Alexis Hall-Stout fired a 59 in SB UAS, Gabby Kuhs was right behind with 58, Cody Hall-Stout shot 56. Alexis and Cody went on to shoot impressive scores in UASFs, Gabby won PH22 with another 58 and fired a 39 in Air UAS. Sierra Sportsman Award went to Bob Hargis. Bob not only put in many hours preparing targets prior to the match, he worked setup day, called the line for five days, and fixed and maintained our targets throughout the week. Many thanks goes out to all the shooters in attendance. We sincerely appreciate your support and dedication, and hope to see everyone else at this event next year.

President's Report

Doug Edney

Hello IHMSA members. I hope this message finds you well. This will likely be my last message in print as my term will end in July 2024.

First, thank you. Thank you members for continuing your passion for handgun silhouette. Thank you match directors for providing ranges for members to enjoy the sport. If it wasn't for your blood, sweat, and tears, then IHMSA would not exist. Thank you to the Region Directors for working on IHMSA business throughout the year. Thank you Dan Hagerty for all your work behind the scenes. Thank you Rich Hawkins for being there with me over four years. I truly appreciate all of your assistance, wisdom, and work to benefit IHMSA. April, thank you for doing what you have done. I know you did the membership and IHMSA News roles for me. Thank you to Cathy Hillyer for taking over as Membership Director.

Next, I hope that IHMSA is better off than when I assumed this position in 2020. IHMSA has received full restitution from the Smith case thanks to the efforts of Tina Cullison. The IRS paperwork and reinstatement seem to be resolved. I have not had any paperwork returns from the IRS in months. IHMSA tax ID number has been reinstated and taxes have been filed on time in recent years. Members are receiving financial reports. IHMSA is moving forward financially with a sanction fee increase and investing its capital.

Also, I wonder where IHMSA will go from here. I believe that PRS type matches will be the future. Optics are made every day, but repeatable iron sights are not. Static targets with lights or swingers have a reaction and provide the clang while reducing the workload. Match directors please consider having swinger matches with different positions and targets. I plan to write a proposal that if accepted would revise the current Practical Hunter rules.

## Indiana State Directors Report January 2024 Randy Hillyer

Well, another year has come and gone and Silhouetter's are still banging on the steel. The club at Riley in Terre Haute run by Rich Hawkins and his trusty sidekick Bob Hargis are holding down the Big Bore as well as Field Pistol, 22's and Air, while Jim Heath and Perry Brown work together on the Field Pistol and 22's at The Brookston Rifle & Pistol Club. Perry Brown found a new location for Air going from Linden Conservation Club to The Tippecanoe County Conservation Club with more space, and making the possibility of hosting a state championship. Well as it looks now there will be an Air Pistol State Championship in 2024 at the TCCC next March 2024. Everything is not cleared for certain but, it is looking good for a State Match there around that time.

I think the state of Indiana should challenge the folks in Ohio to shoot Air Pistol! There are no clubs in Ohio shooting Air and that is such a shame! Air pistol is shot during the winter months thus does not interrupt 22's or BB, and after shooting Air all winter you do not feel like it is starting all over again in the spring. Space is less, targets are less costly, and for all of those who have not tried it, Air guns are as accurate at there distances as any 22 or Big Bore, maybe even more. No hearing protection needed! Glasses however are still required.

I hope to get going back to the Indy 1500 Gun Show to let people know about our sport. We did this previously and had some good results. More on that later but if anyone has any thoughts or ideas on the subject, please get in touch with me.

By the time this comes out, 2023 will be in the rearview mirror, but I hope everyone had a wonderful Holiday season!

April 22, 2023

From Steve Powell,

I'll start by saying we apologize for the late April report due to a few computer problems and other circumstances. The April match was pretty small match with poor weather and low turn out. We shut down early due to lack of attendance.

However, for May we had perfect weather with a pretty good turnout and some nice scores: Steve Powell shot a 40x40+7 in big bore UAS. Jim Kesser shot a 40x40+3 in small bore Production followed by a 38x40 in small bore Revolver. Gordon Lash shot a 40x40+3 in small bore Unlimited. Brian Evans fired a 31 in field pistol PAS.

Thanks to all who came to shoot and a big thanks to everyone who helped tear down at the end of the day. It is always greatly appreciated! Again, sorry for the late April report and we hope to see everyone at the East Coast Championships at the Cardinal Shooting Center this weekend.\*

Till then, safe shooting,

Steve.

## Logan Handgun Association

Bellefontaine, OH  
7/22/23

We had pretty good weather for our June match with around 25 entries for the day. A little on the windy side with up and down light. Hard to believe it but no 40x40's were shot in big bore, half size or small bore. Wonder when the last time that happened at an LHA match?

However in big bore Steve Beck-Montgomery of Piketon did made his second leg in BB unlimited standing with a 21x40 to move into AA class. Nice job Steve, it's nice to see somebody moving up through the classes.

In small bore Bob Ochs and Gordon Lash fought it out for SB unlimited INT. Both shot 39x40 with Bob Ochs hitting 9 shoot offs to Gordon's 1. Gordon came back in SB unlimited any sight with a 38x6. Good shooting all around.

Jim Kesser was working his standing guns shooting a 24x40 in BB standing followed by a 26x40 in SB standing, FP production and FP production any sight. Guess he was just having a 26x40 kind of day.

As always, I'd like to thank everyone who helped set up and tear down after the match. We couldn't hold a match without your help. Our next match will be a week from this Saturday, 8/26/2023. Hope to see everyone there and thanks for coming to the match.

Till next match, safe shooting,

Steve

## Pickaway Sportsman

Circleville, OH

10-14-2023

Our final match of the year and the weather gods smiled on us. Only brief sprinkles early on and even some sunshine later in the day.

We welcomed new (old) shooter Steven Deppen from Dayton to his first match at PCSI. I say old shooter because Steven has shot a lot of silhouettes but primarily NRA rifle silhouette at the little bitty targets. He has a perfect Anschutz setup for his US category. Welcome Steven and hope we see you at all the matches. Doug Lash has fallen in love with his 25-20 the same way I have and his Field Pistol PAS score was an indication of how well it shoots. Bob Ochs and Steve Powell traded wins in Field Pistol Prod and PAS. Gordon Lash and Steve Powell turned in identical perfect scores in UAS so it was on to shootoffs. Gordon got 9 and Steve 7 to determine the winner.

Tim Daniels was on the last day of his marathon shooting vacation. He only got 4 entries in this year. Last year it was 6 but he said the other guns were packed all the way in the front and he would have had to unload the entire car to get to staking advantage of his retirement. Hope to see everybody at the matches next year. I will be sending out notifications as soon as the schedule is approved for next year.

## Barry County Conservation Club

Hastings, MI

April 22 &amp; 23, 2023

It was a very cold & Windy weekend. We had a very low turnout. Jim Wiita shot another 39 in .22 UAS. Adam Davis shot a very good 39=6 in 1/5 scale UAS. See You next month: May 27<sup>th</sup> & 28<sup>th</sup>  
Larry, Steve, Adam. Dave

## Barry County Conservation Club

Hastings, MI

May 27 &amp; 28, 2023

We had perfect weather for this month's match. I think everyone had a good time. We missed the shooting of Adam Davis (recovering from surgery) and Steve Soya (on Safari in South Africa). We want to welcome back Dave Krysiak and Jeremy Wolters. Both have been away from IHMSA for many years. We hope you enjoyed it and will come back soon,

See you at our next match: June 24<sup>th</sup> & 25<sup>th</sup>.

Larry, Steve, Adam. Dave

**Barry County Conservation Club**

Hastings, MI

June 24 & 24, 2023

We had really nice weather again this month. Only 1-40 fired by Adam Dais in ½ scale. David Ramey fired a nice 27 for a double break out and is now an A+ in P-.22. Jeremy Wolters shot a 11 in BB standing & 16 in FP using a 1911!!! (fixed Sights) Steve Soya had a nice 39 in 1/5 scale and a nice 33 in 200 ultra.

See you next month July 22 & 23.

Larry, Steve, Adam. Dave

**Barry County Conservation Club**

Hastings, MI

August 26 & 27, 2023

This was another beautiful week-end for our match. Although we could have used a little less of that east wind. Only one 40 this month by Steve Soya in ½ scale. Steve also shot a fantastic 38 & he is now in INT class 11 David Ramsey fired a nice 34 in .22 UAS FOR HIS FIRST ENTRY IN THAT CATEGORY. Welcome back to Ed Nowak-Licari who hasn't shot in quite a long time. Also Dave Smith fired a .22 U which he hadn't shot in 15 years and did Quite Well.

See you next month September 23 & 24.

Larry, Steve, Adam. Dave

Barry County Conservation Club  
Hastings, MI  
September 23 & 24, 2023

It was another beautiful weekend this month. I think everyone here had a great time. Two 40's this month. Steve Soya & Adam Davis had a very close match in ½ scale Steve 40+5 Adam 40+4. Steve also fired a nice 38 in BB R -INT, & Adam also fired a 34in Ultra 200 – Zach Rogers shot a double break out score of 30 in BB-U. He is now in A+. Thanks to Chris Ronfeldt for being our most regular shooter the last several years, it was good to have our match director counterparts from the AP Goodrich Range near Alma here, Scott Hardman & Mike Hackett. Come back to shoot with us next month & next Year.

Larry, Steve, Adam. Dave

See You Next month Oct 28& 29

We will be shooting May-Oct next year

Barry County Conservation Club  
Hastings, MI  
October 28 & 29, 2023

It was a cold weekend but we had a good turn out of shooters. There were 3 – 40's. Two by Steve Soya in ½ scale & 1/5 scale and one by Adam Davis in ½ scale. Cole Rogers shot a leg up in BB-U and is now a U-B+!!! Chris Ronfeldt fired 2 nice 39's in .22 UAS.

Have a good winter everyone!!

See You At Our Next Match

May 25 & 26, 2024

Larry, Steve, Adam. Dave

**Logan Handgun Association**  
**Bellefontaine, OH**  
**April 22, 2023**

The April match was pretty small match with poor weather and low turnout. We shut down early due to lack of attendance.

The weather Gods were not kind to us this month. Early rainy cold, damp and a little windy. There were storms on Friday night so Bill Urbank, Steve Beck Montgomery and I set up Saturday morning in the damp. Thank you both for all the help.

The weather kept our crowd small but the silver lining for me was that I got to shoot 3 guns and ended up with 40's in both prod. and unlimited and a respectable 109 agg for the 100 club. The spotting and assistance running the line is very much appreciated.

The big news this month is once again Alexis and Cody duking it out in SB-UAS. Uncle Mark has turned them both into excellent shots. They both were one target from perfect scores and tied on shootoffs as well. Alexis won the match by benefit of countback.

Bruce and Steve traded wins in Field Pistol and Steve had another 40 in UAS. Some pretty good scores were turned in with 3-40's and Alexis and Cody were so close to 40's.

Steve Beck-Montgomery had a good SB prod. run and made a leg.

Doug decided to leave the rifles home and it was great to see him back with all pistol scores and a decent PAS score with the H&R.

The weather turned back to fantastic by the time we quit of course and thanks to everybody staying and shutting down.

No Circleville match in June because of the ECC at the Cardinal Center and no match in July because of the World Championships at Terre Haute, In.

Our next match is Aug. 12. Hope to see you all.

## Logan Handgun Association

Bellefontaine, OH

May 27, 2023

May we had perfect weather with a pretty good turnout and some nice scores: Steve Powell shot a 40x40+7 in big bore UAS. Jim Kesser shot a 40x40+3 in small bore Production followed by a 38x40 in small bore Revolver. Gordon Lash shot a 40x40+3 in small bore Unlimited. Brian Evans fired a 31 in field pistol PAS.

Thanks to all who came to shoot and a big thanks to

everyone who helped tear down at the end of the day. It is always greatly appreciated! See everyone at the East Coast Championships at the Cardinal Shooting Center this weekend.

Till then, safe shooting,

Steve.

## Logan Handgun Association

Bellefontaine, OH

August 26, 2023

We had great weather for our August match. After a long spell of heat index in the mid to upper 90s for a week or two we finally got back into the mid 80s. Normal for Ohio in August. Unfortunately, we had a light turnout possibly because of the threat of high heat? Even though turnout was low several shooters were definitely on point with five 40x40s fired.

In smallbore unlimited Gordon Lash and Bob Ochs both shot 40s with Gordon getting one more shoot off than Bob. Also in smallbore Steve Powell shot a 40 and 8 to edge out shooting partner Bruce Smith. Rich Baird continues his string of 40s in half size UAS knocking out another one this month.

We didn't have target setters this month, so I appreciate those who switched from big bore to small bore and field pistol where we have resets. Sorry for the inconvenience. We should be good with target setters for next month.

As always a big thanks to all that helped out, you all make the matches possible! Hope to see everyone at our next match September 23. Till then, safe shooting.

Steve

## Logan Handgun Association

Bellefontaine, OH

9-23-23

We had around 20 entries for our September match and the weather was great. We welcome Steve Durell who relocated to Ohio and decided to get back into silhouette shooting after a several year pause. It was also good to see Tim Daniels from Florida as he came to shoot with us while making his annual Ohio visit.

Not a large match, but we did have some good scores fired. Bruce Smith shot the only 40 plus 8 in small bore UAS and Rich Baird almost pulled off another perfect score in big bore half size with a 39 leaving one ram, great shooting guys. Jim Kesser shot his new 25-20 in field pistol for the first time this month and shot a strong 29x40 in production then entered the same iron sight gun in PAS to shoot an outstanding 38x40 only missing one turkey and one ram. What an awesome score and I'm pretty sure that's a club record for us in our 40 years of shooting. Congratulations Jim, great shooting!

A big thanks to all who helped put things away at the end of the match, much appreciated. Mark your calendars for our last match of the year October 28th, A don't forget the Tres Banditos match at Tusco next weekend. Makes you wonder where did the summer went?

Safe shooting, Steve

## Tusco IHMSA 6/3-4/2023

Thanks everyone for coming out to shoot. In Big Bore, Jim Kesser had the only 40 in Unlimited, and had both a 105 3-gun and a 140 4-gun agg. Great shooting Jim. In Small Bore Gordon Lash had a 40+6 in UAS to top the scores. Doug Edney was high in Half Scale UAS with a 39 and Fifth Scale UAS with a 39. Hope to see all of you next month!

## Tusco Silhouette

Midvale, OH

9- 2 &amp; 3, 2023

Once again we had a light turnout. And a few good scores. In Big Bore Jim Kesser had a 40+8. Steve Powell had a 40+7 in UAS to edge out Jay Wallace's 40+3. In Small Bore Gordon Lash had a 40+5 and David Silva had a 37+3 for his first time out. Next Saturday will be the Tres Banditos match we will be stopping IHMSA matches around noon. Hope to see you all there.

### Tusco IHMSA 11/4-5/2023

Hope you all had a good year. Here are the results for November. Gordon Lash had the only 2 40's, in Small Bore Unlimited 40+9 and UAS 40+5. Cody and Alexis had their first sample of Big Bore. Look out next year. I hope that you all have a safe and happy holiday season. See you next year.

4/16/2023

Our first match of the year got off to a great start. Weather was excellent and the rain held off until we were all packed up. Jim Kesser was the star. In small bore Jim shot a 31 standing, 38 in production and 39 in unlimited for a 3 gun agg of 108. Oh, and I almost forgot a 40 UAS. Excellent shooting Jim!

See you at the next one.

5/21/2023

Great day for our May match. Weather was excellent and we had a good crowd of rifle shooters to keep the line full. Jim Kesser was leader in small bore standing by reverse animal count getting 1 more ram than Doug. Jim followed that up with a 40 in production. As always the help before during and after the match is always appreciated. No match in June so we will see you July, 16th.

## Western Reserve

Mercer, PA

9-17-23

Light turn out for our September match but we had a good time. Tim Daniels joined us all the way from Florida and was high score in field pistol production with his 270 Ren. Doug Edney was high score in 22 standing. This was our last match of 2023 and thank you to all that attended and helped throughout the year.

## Vice President Report

Rich Hawkins

December 2023

As we end one season and begin another, recaps are inevitable. The 2023 IHMSA Championship was again a success as the largest handgun silhouette match in the country. Riley Conservation Club was again the host facility and their 24 point firing line, ample staging areas, and air conditioned clubhouse was welcomed by competitors from 10 states.

The 2024 Championship will be at Anderson County Sportsman's Club in Lawrenceburg Kentucky. Kudos to that club for stepping up and hosting this event. I have shot there in the past, intend to shoot there in the spring, and hope to see you all there this summer.

Indiana 4H Shooting Sports entered the 21<sup>st</sup> century and has held two state championships. I get to serve as their "Silhouette Guy". Other states also offer Shooting Sports in their 4H programs. Getting IHMSA people involved is a chance for us to present our sport to a younger generation. In doing so, we can reflect on variations of our discipline, perhaps incorporating rifle or f-class type silhouette in our local matches and appeal to

a larger age group. Reach out, contact 4H and other young shooter teams or clubs, and arrange for them to experience a match at your facility.

My home club has been shooting indoor airgun silhouette for about 20 years. Individual knockdown targets are inexpensive, there are string reset racks available by a handful of sources, and DIY designs are available for those who want to go that route. It's a great way to keep in tone during the winter. Minnesota has the biggest airgun interest, I get sanction fee reports from them with what seems like a gazillion entries each year.

In IHMSA's heyday, we held chicken or pig shoots at the end of each season, often topping it with a BBQ at the club and a nice social gathering. Hope more clubs travel this route when the 2024 outdoor season winds down.

Rich

CTSA  
New Braunfels, Texas  
Joe Coleman, Match Director  
06/10/23 – 06/11/23

What an interesting weekend with wind and heat after the rain moved through on Thursday. Thanks for Joe and Ken for cutting and cleaning the range for all to see the targets. We only had 26 IHMSA entries and thankful for all those who participated. John Weaver had a SB Production 40 which was our only 40. We did have a 3 way tie for PHSC with 39's. Steve and Teresa decided to have a shoot off which was very entertaining with Steve winning 4 to 3.

Mark your calendar to join us for our next match July 8-9, 2023

July 8-9, 2023

July match is in the books and we will be ready to see everyone August 12-13 for our next weekend match. The shooters were light this month but everyone brought their guns to have lots of fun on the range with 23 guns down range. John Weaver had the only perfect score with a 40 in SB UAS. We had two 39s – Gerald in BB UAS and John in UASFSA.

We tested this month the strobe lights on the BB Rams so did not have to reset BB rams. Maybe a little work is needed adjusting the sensitivity of the lights but we are getting positive feedback from the shooters. Match was very smooth and we finished before the heat set in. Hope to see ya! in August.

## CTSA

New Braunfels, Texas

8/12-13/23

Well, the HOT and WINDY conditions were a challenge to all. We finished both days by noon. We had three 40's from the Weaver's – John 2 and Robin 1. We had a shoot off for the women's championship in SB UAS between Teresa with 3 targets and Ashley with 1.5 - she turned a chicken. Hopefully everyone has their calendar marked for the September 9 – 10 match and will bring cooler temperatures. Thanks to all who joined us this weekend.

## CTSA

New Braunfels, Texas

10-14-23

What an awesome weekend. We did not have a huge turnout but lots of fun during the eclipse and enjoying the cool temperatures. Weather was perfect with lots of sunshine and some wind both days. We did not have any shootoffs but we did have two 40's - Teresa in PH Short Course and Dave Semich in BB UAS. Thanks to all for the support of assisting with shutting down the range early to allow Joe and Teresa to get back home early to pack up for their CO trip. Also, it was nice to see Buddy and Darice back on the line and their support of CTSA.

We hope to see everyone November 11 and 12 (our last match of the year). Remember to bring a side dish, dessert, etc. to enjoy with Lance's grilling of sausage, chicken, tortillas and mustard on Sunday.

ICTSA  
New Braunfels, Texas  
Joe Coleman, Match Director  
11/11/23 - 11/12/23

Well, our final match for the year was wet, cold and fun. The best part was the awesome lunch on Sunday. We had a small gathering but LOTS of great grilled chicken and sausage compliments of Lance. Additionally, Leon's wife provided her famous potato salad, Coleman's provided the beans, Randy and Gloria provided cookies, Buddy and Darice provided paper products and Butch and Kathleen joined us with additional potato salad and their fellowship. Steve shot two 40's on Saturday. We closed down early Sunday due to the rain but we did have 3 shooters who braved the rain to shoot BB.

As of now, our next match will be March 9-10, 2024. Happy holidays to all. See you next year for more fun and laughter on the line.

## Sweetwater Rifle & Pistol Club Silhouette Match Report

20 May 2023

Small match. Pleasant weather. Dennis's PHLC was the only 40. The breeze in our faces causing watery eyes may have been a factor in the scores. I know it was for me. Four shooters fired 12 guns. Janie Porter brought her Merrill, but the loads in the new brass with the primer the Porters have always used only fired 2 out of the 5 sighers, so she did not continue.

Toward the end of the match Caleb Dean, the club's new range master, brought the first of the new targets for the range – a 1983 Cadillac Sedan DeVille (with no glass and a drained tank)! He put it in place during a break before the last 2 guns and christened it with a 7.62x39. If you want to see how little protection those

TV cops crouching behind their car door in a gunfight have, take a look at the exit holes on the other side of the car that he shot.

Thanks to Richard and Dale for helping with the setup. Thanks to Dale for lending the use of the 4 wheeler, Dale. Thanks to Janie Porter for calling the line so I was able to get 3 guns shot and kept up with the paperwork. Thanks to all the shooters for your cooperation with the new system to record your scores on the big score sheet.

## Sweetwater Rifle & Pistol Club Silhouette

17 June 2023

Hot, but not as hot as predicted earlier in the week. The morning was pleasant like a Ft. Stockton morning at the World Championships before the heat hits. Things warmed up, but was bearable during the times the breeze was blowing. Dale was shooting as much as he could since he'll miss the July match getting 6 guns shot. It was good to see the Golden's again who've had to miss the last few due to baseball commitments. Nolan posted his best Big Bore unlimited score.

Good to see Janie shooting again and working on the best way for her to use her charger with plenty of advice given on the line.

Thanks always to Richard for helping me hook up the trailer, airing up its tires, set up the range and call the line in the morning so I could shoot. Thanks to Dale for bringing his 4 wheeler and helping us finish setting up. Thanks to Janie for calling the line. Thanks to all the shooter for helping clean up after the match.

The July match will be on the 15th. Hope to see you there.

## Sweet Water, Texas

August 2023

Today was our second annual Standing BB Revolver match where shooters shot a standing score with a revolver. Richard Porter is this year's winner allowing him to take possession of the Janie Porter travelling trophy. Thanks again to Janie Porter for donating the trophy and the custom, presentation box finished in fine, tan cardboard.

The BB Standing Revolver is a fun way for our small club to have everyone shoot the same category in the same discipline with unfamiliar guns and in some cases (at least mine) with no previous sight settings. I've sorted the scores of those who did not provide their current Standing classification into the class they would be in based on this score and reported them in the BB Standing scores.

After a frustrating string of 39s and 38s, Raymond Golden got his first Practical Hunter Short Course 40! Congratulations Raymond. Look forward to getting that second leg into International class.

The September match on the 16th will be our last match of the season. We'll have another fun match of unscoped lever action rifles with tubular magazines. I'll also allow non-bolt action single-shots shooting similar round-nosed or flat-nosed bullets with cartridges that won't damage the targets (e.g., 45-70, 38-55, etc.).

All told, 20 guns were fired. Most of our normal crew was able to shoot. Weather was quite pleasant during setup, but got over 100 by the end of the day. Thankfully, the covered firing line and a fairly constant breeze kept conditions bearable for our intrepid bunch.

Thanks to my first and second musketeer, Richard Porter and Ray Fried for helping with the setup. As always, Ray's Kawasaki mule was a big help for target setting as well as Ray's dedication to setting targets shooting only his standing revolver entry. Thanks to Janie and Richard for calling the line while I was able to shoot. Thanks to all shooters for supporting the match.

## 2023 IHMSA Members Meeting

11 July 2023

The meeting was called to order by President Doug Edney at 7:35 PM. This was followed by the Pledge of Allegiance and a moment of silence for members that have since passed.

The notes from last year's members' meeting were distributed prior to the meeting so those in attendance could review them.

- President's Report, Doug Edney
  - As a result of working with a youth trap program which emphasized muzzle control, Mr. Edney said that it would have been good to start the match with a shooters' meeting to remind all of us of the importance of muzzle control.
  - Thank you to the members.
  - Thank for the Board members and the work they do behind the scenes.
  - Thank you to Riley Conservation Club for use of the facilities.
  - Thank you to Bob Hargis for the hard work and sweat during the match.
  - Thanks to those that were checking guns.
  - Thanks to April Edney for cooking lunch and dinner tonight, entering score and checking guns.
  - Though Mr. Edney was originally planning for this to be his last meeting as President, and as there are no other nominations, Mr. Edney announced he would continue in the position for another year. This is primarily to deal with the IRS situation as it would be harder to turn this over rather than finish it up.
- The Sierra Sportsman's Award was awarded to Bob Hargis for all the many hours and hard work he has done for the

match. Mr. Hawkins was quoted as saying that “this match would not have happened without Bob”.

### 3. Secretary and Treasurer

- a. These two positions are still open.
- b. Mr. Hawkins has details on the position if someone is interested.

### 4. Financials Year to Date

- a. \$138K to \$148K
- b. Three accounts – PayPal, Checking Account and Savings Account.
- c. \$6100 membership, \$4000 sanction fees
- d. Spent \$5600 publishing the *IHMSA News*. The last issue cost \$4100
- e. Around \$930 was spent last year for other expenses including office supplies, shipping, legal fees and billing for fees from Adams Brown that does the accounting.
- f. Mr. Hawkins was asked, “With interest rates going up, are we getting interest from the Savings Account?” Jim Kesser asked about putting some of the savings account into CDs that are now running around 5% for a year.
  - i. After some discussion among the members, Mr. Kesser moved that approximately 2/3 in 150K that is fluid up to \$100K be put into a bank account earning around 5%. Mr. Urbank seconded.
  - ii. Greg Rheinheimer stated that the accounts should be FDIC insured.
  - iii. The motion passed unanimously.
- g. Cindy Smith’s legally required restitution has been fully repaid to the Association.
- h. Mr. Rheinheimer asked if any clubs were lost over the sanction fee increase. Mr. Hawkins said that some were lost. The question generally asked was what was gotten for the extra dollar. Mr. Hawkins stated that it was a poor decision historically that this fee was not raised several times over the years since the initial fee was established because the cost of things had steadily risen.
- i. Dell Taylor reminded those present that the membership fee had been raised to \$50 but after the uproar, it was moved back to \$35 with the sanction fees as another way to raise revenue.

### 5. IRS

- a. Mr. Edney gets letters around 2 times a month from the IRS. There seems to be communication issues with different parts of IRS.
- b. After a letter, it is referred to Adams Brown who completes what is required. Then later a different letter arrives.
- c. \$7700 in fees have been paid to Adams Brown so far to resolve this with the IRS.

6. Brazil and Australia have paid their affiliation fees but have sent no report.
7. Region I, Allan Olsen, not present, no report.
8. Region II, Stephen Kuehl, not present, no report.
9. Region III, Brian Gildea
  - a. Region 3 has a new range, Cardinal silhouette in Columbus which hosted the East Cost Championship. There were teething issues for the match.
    - i. Huge thanks to Rich for bringing targets.
    - ii. Thanks to John Richards, Jim Kesser and others for helping with the setup.
10. Region IV, Raymond Golden, not present, no report.
11. Region V, John Richards
  - a. Two ranges are currently operating.
  - b. Picked up 5 or 6 new shooters with a couple coming from the air gun matches.
  - c. Winter air gun league has more entries than the powder gun season.
  - d. Mr. Richards encouraged all present to help the match directors.
12. Region VI, Dell Taylor
  - a. Idaho Falls is fairly active.
  - b. There are no ranges in Utah.
  - c. The Association lost Black Canyon (Ben Avery)
  - d. Tucson and Tombstone have monthly matches.
  - e. There are 2 matches per month in Las Vegas
  - f. Yuma is considering applying for sanction next year.
  - g. Hawaii is still plugging along.
  - h. Mr. Taylor has not heard from Guam in several years.
13. Region VII open, no report.
14. Region VIII open, no report.
15. Rules
  - a. There has been a request by the Australians to have wording in the rule book mentioning the Australia shooting association to make it easier to request travel fund for the championship from the Australian shooting association.
  - b. No rule proposals have been submitted.
16. Membership Director
  - a. This position was established in recent bylaws changes.
  - b. April Edney has held this position.
  - c. Cathy Hillyer will assume this position.
  - d. Thank you to both of them for the work they do.
17. Mr. Kesser asked if there had been any discussion on redistricting to eliminate regions such as those with no clubs and better represent the current shooters population. This has not been considered. Mr. Kesser submitted as food for thought. Mr. Edney said the Board would consider it.
18. Old Business – no old business was brought forward.
19. New Business

- a. Mr. Edney stated that getting back to the IHMSA boom is not going to happen as the conditions are no longer present.
  - b. For the question of what you get for the \$35 membership fee:
    - i. A proposal has been put forth to award a stipend to a club to host the Championship. A meeting will be held at 9:00 AM, 12 July 2023 to discuss the proposal with any match directors present. Discussion will cover:
      1. What a club would offer for the stipend
      2. What a club would require from IHMSA
    - ii. Waving entry fees to the championship.
      1. The reality is that membership is aging and declining. There is a significant amount of money in the association's treasury. Waiving entry fees to the Championship would be a way to provide value to the membership.
      2. The question was asked, "What will IHMSA look like in the future and how long will the organization last?"
    - iii. Mr. Hawkins said that the purpose of the last 2 matches in Riley was to show how the championships could be held in a smaller facility with some creative solutions such as half scale for only part of the day.
      1. Mr. Hawkins would like to see the championships rotate around the country, so all areas feel a part of IHMSA.
  - c. The association should look at options and proposals to increase entries and reduce work on the match directors. Ideas include side matches, role of optics, swinger matches which would not count for record, etc.
20. As of the meeting there are 238 entries in the championships so far.
  21. Mr. Edney and Mr. Hawkins did revoke a membership. This can be discussed with them after the meeting.
  22. Mr. Hillyer raised some ideas of how to make the matches easier for physically challenged shooters. Others mentioned that help will be needed from the physically challenged shooters on ideas and what is needed well in advance of the match.
  23. Dan Meserve moved adjourn. Mr. Brian (R3) seconded. Mr. Edney cancelled the motion to ensure all new business had been addressed.
  24. Next year's match.
    - a. This is part of the discussion for the meeting tomorrow.
    - b. Nothing has been set yet.
    - c. Riley is willing, but this is part of the discussion for tomorrow's meeting.
  25. Mr. Gildea moved for adjournment. The motion was seconded by Mike Dougherty. The meeting adjourned 8:38 PM.

**Oakdale Gun Club**  
**Lake Elmo, MN**  
**Mike Dougherty, Match Director**  
**5/13/2023**

Our first match of the year went well! It was cloudy all day, so the targets looked great!

It was great to see Dan Harder at the range! It has been way too long! Good shooting Dan after such a long break.

Welcome to our newest IHMSA member Walt Laroche, so glad you made the decision to join!

**Dan Harder, Match Director**  
**12/2/2023**

We had a great turnout today and it was good to see everyone. Glad to see Laurie, friend of Charles along to observe. Hopefully she will decide to join us again and to give it a try. Will be sending out another email for planning pot luck lunch at next match.

## Minnetonka Game & Fish

St. Francis, MN

June 18, 2023

Happy Fathers Day to all the dads out there.

Very nice weather today at the range. It was cloudy so the targets looked great, and it was not too hot. We managed to get all the shooting in and tear down before the rain hit.

Glad to see our newest IHMSA member out today. Walt also brought a potential new member along!

Next match is this coming Saturday the 24th at Oakdale Gun Club.

Good shooting and we will see you soon!

**8/5/2023 - 8/6/2023**

This was Minnesota's state BB Half Size and FP match. We had descent weather (the predicted rain held off) and we had a great turn out.

Thank you to all who helped make the match run so smooth by helping set up, paint and set targets, run the switches, and tear down range.

Las Vegas, NV

March 19 &amp; 26, 2023

The Sin Silhouette Shooters were not a healthy bunch this month with only 12 guns going thru the line. Nags missed his usual UAS in BB but got two in SB in UAS and PH. Doc Donnelly picked up his slack and shot a UAS 40 with that big 338 of his. Art Cheshire got his Charger working pretty well and shot a SB UAS 38. You're getting there Art, don't give up now. Hoppy isn't shooting any better but he's fun to have around and a BIG help to me when the match is over. Thanks Hoppy!

**Desert Sportsman's R & P Club**

Las Vegas, NV

July 18 &amp; 25, 2023

I know this is real late but my computer was down for while and so was I. In fact, the Sin City Cilhouette have more people on the IL than the New York Yankees..Bill Underwood is back shooting with us and that is a big plus. Joe Kennedy was the only shooter to break double figures in BB with a nice 36 US, but the big news came in SB where John Nagazyna came out early so he could go play quick draw Mc Graw. What he did was shoot 3 4-'s, one in PH22, one in UAS and his first in UASFS. Not to be out done, Dan Meserve dropped down out of Utah to shoot 2 40's, One in UAS and then shot his first UASFS. If Nags hadn't had to leave early I'm sure it would have been a hell of a shoot off. Madybe next month.

I said I was down for awhile. I've come to the last few matches in pretty bad shape health wise and if it wasn't for Joe Hop[kins helping me out I don't know how I could have made it. Thanks Hoppy!!!!!!!

Shoot Well, Take Care

## Desert Sportsman's Rifle and Pistol Club Dec 3 and 17 Paul Habig

I know I've been remiss at sending these reports in but in my defense it's been a pretty bleak summer and fall for the Sin City Silhouette Shooters. Art has been layed up with a bad back, Debi has had 2 surgeries, Doc missed some time with family commitments and I don't know where Nags is half of the time. Dan Meserve can't make it all the time but that's a lot of travel for him and I will give him that. Dan and Nags both shot 40's in UASFS in July. Dan came back with different ammo and shot a 38 and I didn't see Nags for 3 months afterward and he shot a 34 and hasn't shot since. Hoppy keeps swearing he is going to get out and do some "cheatin'" but I haven't seen it. Bill Underwood did shoot a new high in SB UAS and Doc shot a new high in U500AS but that's about it for us. NS OH YEH, I haven't shot Rev or Pro since Jun because of a cataract I hope to have fixed next Tuesday (lets hope). As always I have to send a big thank you out to Hoppy for all his help with the targets. I'm not getting any younger and need all the help I can get.

Excuse me. How could I forget. Joe Kennedy shot another US 40 this month. That is some amazing shooting. Like me he has some eye issues and has trouble with the open sights.

Shoot Well

Take Care,

Hg

**Rule Change Proposal**

Jan 29, 2023

Rule: Section IX, 4, e.

**Original rule reads:**

Once a range has been officially closed for preparation of a match, no practice will be allowed before or during any IHMSA sanctioned match other than the five-sighter shots as described above.

**Proposed wording to add to original wording:**

At championship matches and at the match directors discretion, practice may be allowed after the range has been set up on the day(s) preceding a championship match. There will be no practice time (other than 5 shot sighters) once the match has begun. The intention to allow this practice time must be announced as public information and/or in the match program at least 30 days prior to the match, and may be revoked if match setup is delayed.

It was overcast when I got to the range with temps in the mid 40's and got up to the low 50's by the end of the match.

We also got one little rain shower for about 10 minutes. On to the results of the match.

Three 40's shot this month. Jim Harris posted a U-Int, 40 using cast bullets. Steve Parsons posted a UAS-Int, 40.

Pete Colley was back this month and posted a R-B, 9. Jim Harris posted a UHS-Int, 30, Steve Parsons posted a UHSAS-AAA, 38.

In Field Pistol, Ron Craig posted a PAS-AA, 29. One shy of a leg into AAA. In smallbore I posted a UAS-Int, 40 followed by Ron Craig with a UAS-AA34

Our target setters did a great job this month. Thanks to all who came out to shoot the match and also to those who stayed to help pick up targets after the match.

Until next time shoot straight and be safe.

We put 20 entries across the line this month. It was overcast when I got to the range with temps in the mid 50's and got up to the low 60's by the end of the match. We also got one little rain shower for about 20 minutes. We had one new shoot with us this month. Nicholas Papagalos from Gig Harbor came out to shoot with us. He moved up from Phoenix Arizona a few years ago where he used to shoot silhouette. Glad he found our club to come shoot again. On to the results of the match. Four 40's shot this month. All were shot in UAS. The first was by Ron Craig posting a UAS-Int, 40+1. The second was by Richard Nicol posting a UAS-AAA, 40+4, The Third was by Steve Parsons posting a UAS-Int, 40+4 and the Forth was by Steve Bishop posting a UAS-Int, 40+4. The shoot off were done during the match at half scale rams. Richard had to leave before the match was done so we left it at a 3 way tie over all. This was Richard's first ever 40. Nice shooting guys. In Unlimited I posted a U-Int, 39 followed by Jim Harris with a U-Int, 37. In Revolver, Steve Parsons posted a R-AAA, 34 followed by Steve Bishop with a R-AAA, 32. Joe Stumpf posted a R-AA, 20. Jim Harris posted a UHS-Int, 31. Joe Stumpf posted a UASHS-AA, 31. In Smallbore Nicholas Papagalos posted a US-AA, 13 and a re-entry US-AA, 16. Steve Bishop posted a UAS-AA, 36. In Field pistol Ron Craig posted a PAS-AA, 20. I posted a P-AAA, 17. Our target setter did a great job this month. Thanks to all who came out to shoot the match and also to those who stayed to help pick up targets after the match. Until next time shoot straight and be safe.

— We put 15 entries across the line this month. It was raining when I got to the range with temps in the mid 50's. It RAINED most of the morning at times coming down like cats and dogs to the point it was hard to see the turkeys and rams. On to the results of the match.  
Two 40's shot this month. Both were shot in UAS. The first was by Steve Bishop the second by Steve Parsons, both posting UAS-Int, 40's followed by Ron Craig with a UAS-Int, 39. Nice shooting guys. In Unlimited I posted a U-Int, 39 followed by Jim Harris with a U-Int, 37. In Revolver, Joe Stumpf posted a R-AA, 26. Jim Harris posted a UHS-Int, 25. Steve Parsons posted a US-AA, 26. Steve Bishop posted a UASHS-AA, 34 followed by Ron Craig with a UASHS-Unc, 31.  
In Smallbore Nicholas Papagalos posted a US-AA, 10.  
In Field pistol Alec Patajo posted a very nice PAS-AAA, 33. Nicholas Papagalos posted a PAS-AA, 22.  
Our target setter did a great job this month. Thanks to all who came out to shoot the match. A big thanks to Joe Stumpf for taking over the match after I had to leave early (it was my wife's birthday) and also to those who stayed to help pick up targets after the match.  
Until next time shoot straight and be safe.

## Silhouettes in Australia

My wife, Becky and I were able to take a vacation trip of a lifetime and made the best of our opportunity to visit both New Zealand and Australia. Our first stop was in New Zealand. We were there for one month and managed to take in both the north and south Islands. We then flew over to Australia and took in that country for just over one month as well. Prior to leaving the USA and making our way to visiting Australia, I had made contact via email with Russell Mowels who is the

Australian director for IHMSA, and I also searched the internet contacting shooting clubs that host Silhouette matches in Australia.

Years ago, I met Russell a couple of times when he came to our West Coast Championships competition in Grants Pass, Oregon. He and his wife traveled the USA and attended many IHMSA championship matches so I wanted to see about taking this chance on getting to shoot a match in Australia.

On this vacation trip I did not want to take my silhouette guns. I didn't want to deal with all of the customs and rules that are in place, possibly risk the chance of not being able to visit New Zealand and Australia, or worse yet having my prized toys held in customs or maybe being lost. Even though I chose not to pack my silhouette toys, being able to attend a silhouette match in a foreign country was going to be worth it to me whether I was a competitor or a spectator.

Many emails later and sorting out the details on where matches were being held, we found a place, and the dates were set. The match was to be held at the Monarto Shooting Complex on April 22nd through the

24th near Murray Bridge, SA where they were hosting an Ultra 500 meter and a special commemorative ANZAC Revolvers Only silhouette competition. Just a little bit of information to share is that Australia and New Zealand celebrate ANZAC day on April 25th every year. ANZAC meaning is: Australia and New Zealand Army Corps. ANZAC day for comparison is similar to our Veterans' Day. Russell managed to get me invited to the match and even offered to let me use one of his guns. Knowing that I was going to meet up with Russell, I put together some of my IHMSA Silhouette memorabilia from the USA that I have collected throughout the years and carefully packed them up to give to Russell to add to his Australia collection.

The Ultra 500 Meter pistol match started on Saturday April 22. We went out to the shooting range, where Becky and I helped set targets and meet up with everyone. Russell was scheduled to shoot the Ultra 500 on Sunday so all we did the rest of the day was help with re-setting and painting the hit marks for the next competitor in line.

We got up early on Sunday and headed back out to the shooting range and volunteered to help again with setting up the targets for the Ultra 500 Meter pistol match. Russell was set up for his entry using his XP-100 7BR with open sights. I helped Russell as his spotter and called out the shots for him. Open sights are way more challenging at the 500 meters than with a scoped handgun, and Russell just didn't

seem to have very good luck which I'm quite sure was due to the heavy oncoming headwind causing his shots to really go way off their intended target.

That evening everyone from the match gathered back at the Murray Bridge Hotel and enjoyed a great dinner. We all had a great time talking with new friends, telling tales and stories related to shooting Silhouettes, and comparing notes about the different ranges that we all have attended in past years.

On Monday it was my turn to shoot in the Revolvers Only match. Russell was first up using his Freedom Arms 357 mag and the game was on. I volunteered Becky to be his spotter because she always spots for me and knows her stuff way better than I do and how the shots go. Russell did pretty darn good and managed to set the bar for the rest of us competitors. I was fortunate to be able to use Russell's Freedom Arms 357 mag which is almost identical to my Freedom Arms 44 mag revolver. It was a standard 40 round match and after all of the scores were tallied at the end of the day, I won! I received a plaque for 1st place in revolver and a commemorative coffee cup. At the awards ceremony after the match, I asked if all of the other competitors and the target setters if they would autograph my score card. Now I have another piece of memorabilia to add to my collection of IHMSA Silhouette history pieces. Also at the match, Russell was very generous to me and presented me with his last available custom made Australian 40 Years Belt Buckle so basically I came out of this adventure like a bandit.

This was truly a once in a lifetime experience for me and my wife to have this opportunity for me to compete in a silhouette match outside of the USA. I felt honored and blessed to have represented IHMSA from the USA along with my passion for the game of silhouettes. And the "Icing on the Cake" is that I was able to bring back a bit of history and some memorabilia for my collection of IHMSA.

### IKES

Lincoln NE

May 21 2023

BY Chuck Pfitzer Sunday's weather was great for shooting, very little wind but enough to keep the mirage down. The scores will reflect the nice weather and good turnout. It was good to see Steven Bertram from the Omaha area make it. Hope to see more of you and your son. It was good to see Ed Mundorf up and around, come out to the range. Jessica Novak got a Leg up in the PHS class "Good Shooting Jessica". Mike Alexander and Doug Davis shot for their first time in the PHS class. Mike dugout the 22 Hornet and took 1st in the class "Good shooting Mike". Randy TeSelle shot his FA 22LR for the first time in the 22 Revolver class putting him in the AA class "nice Shooting Randy". Ron TeSelle was not able to shoot due to back pain. Hoping for a speedy recovery Ron.

The Next Match June 18th is Fathers Day, Fathers get your Son or Daughter and come out to shoot with them.

IZZAK Walton

Lincoln, NE

June 18, 2023

Weather conditions could not have been much better. A great day for the fathers day Match or for whatever you may have done Sunday.

Great scores were shot in all nineteen events Jessica Novak moved up to AA after shooting a AAA score in the PHS event and this also gives her a leg up (ML) in the event. "Good Shooting Jessica" just a fun day shooting.

Next Match July 16th 2023

Until then get out and enjoy SHOOTING.

**IHMSA Match Report IKES Lincoln NEBY Chuck Pfitzer July 16th 2023****By Chuck Pfitzer:**

Sunday July 16th the sky was very dark and gloomy looking and yes it rained and rained. It cleared off mid morning and was a good day for the shoot.

Randy TeSelle for the second month in a row was top shooter in the PHS Event with a 40/40 score and Jessica Novak shot a AAA score for the second time moving Her up to AAA starting next month. Good Shooting to the both of you. Jeff Shultz dug out his 22lr Anschutz, shooting it for the 1st time in quite some time and shooting a nice score of 35/40. Jeff, also made it possible for me to shoot the scores I did by spotting for me, thanks Jeff.

Hope to see you next Month! August 20th

**IHMSA Match Report IKES Lincoln NE August 20th 2023 BY Chuck Pfitzer**

The day started out warm and humid but not as bad as the forecasters predicted. The shooters that ignored the forecast and shot the match had fun and were shooting some good scores. Ron TeSelle shot a nice score of 40/40 in UASHS with his 221 Fireball "Good Shooting Ron." I also had a good day shooting some 40s but slipping behind Ron with a score of 39/40 in the UASHS Class. Doug Davis had some gun problems so we stepped in and got him and the gun fixed and ready for the next Match in September.

Don't miss the September 17th Match in Lincoln before the State Championship Match, starts on September 21, 22, 23, and the 24th in Holdrege NE.

Lincoln, NE

9-17-23

Great weather for shooting Silhouettes. The shooters took advantage of the good weather making it a good turnout for the match. Steve Walahoski has been busy, taking him away from his enjoyment of being able to shoot the matches. He said he enjoyed shooting the match and getting out. The match just made his day. It was good to have him return to the matches. That is what it is all about getting out and doing the things we enjoy. Randy TeSelle shot some good scores, earning him a leg up in two of the matches he shot. Randy will be moving up to the A class in 22LR Unlimited. "Good Shooting Randy". Mike Alexander also got a leg up in the 22LR UAS class "Good Shooting Mike". Mike also shot a 40 in the PHS class with his 22 Hornet. Check out the scores below. There were more good scores shot by a number of shooters.

Starting this Thursday September 21st starts the Nebraska IHMSA State Championship Match in Holdrege NE "21st through the 24th."

Next Match in Lincoln IKES is October 15th 2023 Hope to see you then.

**IHMSA Match Report: IKES Lincoln Nebraska**  
**November 17th 2023**  
**BY Chuck Pfitzer**

Ron TeSelle Shot the only 40/40 and the HOA for the day's Match. The Matches are held in the Club House at the IKES Range, no wind and warm. If you have a pellet pistol and like to shoot you need to come to the IKES Range for the next Match. January 21st 2024 come and have some fun. You will find the shooters welcome and helpful to getting you the most from your gun.

"Merry Christmas to All"**November 17th Match Scores:**

| Event             | Class | Shooter        | Pistol   | Score  |
|-------------------|-------|----------------|----------|--------|
| <b>Air Pistol</b> |       |                |          |        |
| UAS               | INT   | Ron TeSelle    | IZH-46 M | 40 HOA |
| UAS               | AA    | Randy TeSelle  | AV-46 M  | 36     |
| UAS               | INT   | Jeff Shultz    | IZH-46M  | 30     |
| UAS               | AAA   | Mike Alexander | TAU-7    | DNF    |

**IHMSA TREASURER REPORT**

December 2023

This is an abbreviated report, a detailed report is planned just a few weeks away. A full report for 2023 will be available in the IHMSA News online issue for Spring 2024, but I'll highlight 2023 items now.

Please note, we transfer money from PayPal to our bank when an excess builds up. Income fluctuates during the dues renewal period (different tax years) and mid-late summer sanction fees via PayPal.

Jan 1, 2023-- Bank account(s) totals were \$138,762. During January, we transferred \$8,000 from PayPal to our bank account.

In August, the board invested \$138,000 into several CD's with varying maturity dates, at an average return of 5.0% /annum.

**EXPENSES**

Hard copy publishing of the IHMSA News-- \$4,107

Adams Brown, Tax prep-- \$1,020

Riley Conservation Club, \$1,800

Dec 15, 2023—Bank account totals were \$13,739. This represents a \$4,977 net gain for 2023.

Rich Hawkins

IHMSA Acting Treasurer

12/15/2003

IHMSA Headquarters

808 Ute Trail

Mercer, PA 16137

*The Silhouette Champion There is no place for prima donnas in Handgun Silhouette. We already have the finest long range handgunners in the world. The respected Silhouetters are sportsmen as well as marksmen. To command respect we must have respect. A true champion is a sportsman. A champion knows where he or she comes from: knows that the game and cause of handgunning is bigger than any one person: knows that sacrifice for others is the final measure of greatness.*

*Quote from The Silhouette 1988*
