Iron Sight Pistol

No entries

It was a hot and muggy July match. We had 3 classes with multiple entries. Paul was top score in pistol cartridge iron sight rifle and small bore iron sight rifle. Joe, in reverse animal count beat out Paul for high score in small bore scoped rifle. We had a father and son duo try it out this month. Ethan is pretty young and did very well his 1st time out. As always, the help before, during and after the match is appreciated.

Our next match is August 18th.
