We lucked out on weather again. The forecast was for rain all morning and we didnt get it all . Huge thanks to Bill and Steve Beck Montgomery for coming over the night before to set up. We were certain it would be raining during morning set up and wasnt. Bill brought a couple of new shooters, Drs. Frye and Whitmore who did extremely well over on the field pistol side. I would be remiss if I didnt point out that Mary got more Rams than Nate first time through. David Schultz shot with us again and did well and like me did better with iron sights than the scope. Carl is the same way and had a better iron sight score than scope. Dougs shoulder is still bothering him so he shot rifles all day. I was going to ask Jim Lejman how he shoots almost twice as many turkeys as chickens when he told me he couldnt see them. We were trading glasses. Gordon and Bob were nice to me and let me win Unlimited with a 40/7 although Bob had that many shootoffs with his revolver. Anastasiia was trying out a kind of gun that Bill had set up. He rigged a TC that is easy to open and she did pretty good with it for this first time out. Iryna let Mike win UAS and I think that may be a first. She probably worked all night and her eyes were tired. Steve Beck Montgomery had a very good 1/5 scale score without a spotter through turkeys.

Thank you everyone who helped tear down. It really goes fast because so many stay to help and I genuinely appreciate it.

Our last match of the year is next month, Sunday Oct. 11. See you there.
