

TRI COUNTY ROD & GUN CLUB  
 LINWOOD, KS, SEPTEMBER 13, 2020  
 BY BOB CURRY

We had a well-attended match, with several junior shooters practicing for a big 4-H .22 tournament. Jeff Hegwald paid their entry fees. We should all be so generous.

My shooting partner, David Glass, wanted to shoot four guns, and I wanted to shoot three, so we split up instead of spotting for each other. We both had some of the best scores we've had in years. Makes me wonder just how much we've "helped" each other in all that time. Oh well, we've had plenty of laughs.

Hope to see lots of you for the October match. Especially the young, strong ones. We have to put away the targets for the winter. Refreshments will be served afterward.
