

2021 East Coast Championship at Riley Conservation Club & Tusco Rifle Club

Riley Conservation Club (RCC) in Indiana and Tusco Rifle Club in Ohio are pleased to announce the 2021 East Coast Championship. RCC is hosting the small bore, fifth scale, field pistol, PHSC, and PH22. This event is the weekend (Sat-Mon) prior to the sister event to be held in Ohio and allows IHMSA members to shoot small bore and field pistol events here and then travel 6 hours for ECC Big Bore competition in neighboring Ohio. Tusco is hosting the big bore, half scale, and PHLC.

Both events will be a 60 round match with immediate mandatory shootoffs for perfect scores. When possible, ties will be shot off before the end of the match. All other winners will be determined by countback.

There will be a total of 29 relays per day. First relay will start at 9:00am every morning with sighters available at 8:45. That's a relay every 15 minutes which is pretty easy to do with the auto resets at Tusco. RCC offers rope reset targets. We will paint every relay.

Champions for each category will be recognized. This includes aggregates as well as an Iron Man. Shooters are invited to participate in the entire East Coast Championship as it is a single event. However, you are more than welcome to attend either the small bore or big bore event if vacation and travel only allow for one. We hope to see you at Riley or Tusco. Better yet, we would love to see everyone at both ranges.

2021 ECC Small Bore, Fifth Scale, Field Pistol, PHSC, and PH22 at RCC

The SB, 1/5 scale, Field Pistol, and Air Pistol match is a three day match and the dates are Saturday thru Monday, June 26-28. A half-day shooting may be optional on Tuesday. We plan on an informal, laid back match. Entry fees will be \$15 per gun or \$75 for all you can shoot. We have two banks of Small Bore, one bank of 1/5 scale, and one bank of Field Pistol. Air Pistol will be on the clubhouse covered porch after 4pm on designated day(s). I also hope to offer side matches for Big Bore and Half Scale, as well as a 22LR rifle long range match to expose our shooters to a popular rifle match that we run here using 22 targets at big bore distances. The side matches are not part of the ECC program. We currently have minimal plans for awards. If that changes, the cost of a trophy or plaque would have to be in addition to the entry fees.

A sandwich style lunch will be available. Several fast food outlets are within 5 minutes of range. Hotels and fast food are available within 5 minutes at the I-70 & State Rd 46 interchange. 4 miles farther is major Terre Haute interchange with several hotels and full service dining. Camping is permitted at range only with prior approval. Indoor restrooms and kitchen, no showers. Our range has changed significantly since our last championship in 2005. All our berms are now sand or sand faced. RCC has put \$80,000+ into facility development in the last 10 years. Our pistol bays are independent from the rifle range. A staging area with tables under a 20x26 carport is attached to the 120 foot covered firing line.

My email is aggshooter@hotmail.com and my phone # is 812-201-2285. Please feel free to call or email your questions.

Rich Hawkins

INDIANA IS NOT A LOCKDOWN STATE.

2021 ECC Big Bore, Half Scale, and PHLC at Tusco

The BB, 1/2 scale match is a three day match and the dates are Thursday thru Saturday July 1, 2, and 3. We plan on an informal, laid back match similar to the ECC we held in 2018. Cost will be \$12 a gun or \$75 for all you can shoot. Disciplines offered for the championship will be Big Bore and 1/2 Scale. We have three banks of Big Bore and two banks of 1/2 scale. This equates to an ability to shoot 261 entries in BB and 174 in half scale. The Small Bore, 1/5 Scale and Field Pistol targets will be set up and available for fire but are not included in this Championship. Small Bore, 1/5 scale and Field Pistol entries will not be scheduled, and the targets will be available on a first come first served basis. Big Bore, 1/2 scale and Field Pistol are in meters and Small Bore and 1/5 scale are yards. We will allow lever action rifles on the appropriate targets, but silhouette pistols take 1st preference.

There will be lunch at the range with the fare to be determined. If you attend our monthly matches, we always have hamburgers, dogs, pop, and chips at a minimum. All the shooters (and available spouses) typically get together at a local restaurant one night and that will be announced at the match. Either Friday or Saturday night. Last ECC we went to Dutch Valley Restaurant in Sugar Creek, Ohio. It is an Amish style buffet and can accommodate any size party with little to no notice. It was a big hit with the shooters who ate there.

Closest bigger town is New Philadelphia, Ohio and there are tons of options there in hotels and restaurants from cheap to nice. In addition, there are a couple three options in Dover, Oh. and a nice hotel in Strausburg, Ohio. All these are 12 to 20 minutes from the range. If you want to get a jump on reservations, you guys all have computers and your all retired so you get a senior discount plus you all have AAA. Check it out. My email is jimologist@aol.com and my phone # is 614-214-6165. Please feel free to call or email your questions. Mark Basham is the match director of Tusco and he can answer any question as well. His email is mbasham@columbus.rr.com

This will be a blast! We hope you all can make it. I really look forward to seeing the line full at Tusco again. Our last ECC was a great success with a ton of entries and shooters. It was seamless and ran on time every day. Every single shooter got to shoot every gun they wanted and then some.

Jim Kesser
