We had opposite weather for this match from the last. May was a washout with winds, rain and cold and June was hot and humid.

Carl had a great P score in FP with 31, seems like maybe pistol primers are working in the .22 hornet? Our Region 3 director was here and brought a familiar old face with him. Merlin Kitsmiller didnt shoot but had a great time seeing old friends. Steve Powell edged Gordon by one in UAS with 40/5 but Gordon came back and smoked with a 40/5 in Unl. Mike Carroll beat wife Iryna by one in UAS maybe for the first time. She did get 4 shootoffs so she is still the champ there.

Daughter Anastasiia amazed us all by shooting a .44 mag. in FP. The amazing part came when she had a couple misfires and the barrel didnt budge. No jerk, no flinch. I challenge all you macho male IHMSA shooters to the same test. I may be able to do it but Im not taking that test. BTW, she's 12 years old!

Bill put a new hammer spring in Jim Lejman's gun and I know thats going to give him two more targets.

Thanks to Big Bill for helping me set up. Bill even mowed but it looked like he knows more about Contenders than lawn mowers. He said thats why he pays guys to mow. Thanks also to Jim Lejman and Gordon Lash for setting up and Mark Basham for running the line so I was able to get two guns in. Thanks everybody for staying and shutting down.

Our next match is Sunday July 11. Hope to see you all.
