The Future of IHMSA Junior Members

Gabby

Cody

Nolan

Alexis

Congratulations to Gabby, Cody, and Nolan for shooting incredibly well at championship matches. Gabby and Cody competed at the East Coast Championship. Cody and Nolan competed at the World Championships.

Recently Alexis, Cody's sister, started shooting. Let's add some more junior shooters to our matches in 2022!

Membership Renewals

Annual memberships are \$35.00 and additional family members are \$10.00. Mail membership renewal dues to:

IHMSA, Inc.
808 Ute Trail
Mercer, PA 16137

Please send a check made out to IHMSA, Inc. or PayPal.

Match Recap Form and Sanction Fees

Please send match recap forms and sanctions fees to:

Rich Hawkins
2902 Oak St
Terre Haute, IN 47803

Please send a check made out to IHMSA, Inc. or PayPal.

Match Results Submission

Please send match results to:

IHMSA, Inc.
808 Ute Trail
Mercer, PA 16137
president@ihmsa.org

Please make sure your match results are posted on IHMSA forum, mailed, or emailed to make sure they will be included in the next IHMSA News.

Scores must be submitted by December 31st to be included in the Next Issue.

Thanks

Sanction Fees

In July 2020, the IHMSA board voted to increase sanction fees payable to IHMSA, Inc. from \$1 to \$2 per entry. It has been many years since an increase in sanction fees. This increase will help cover the cost of supplies. Please send \$2 per entry to IHMSA, Inc. beginning January 2021.

If you know anyone that is a paying member or a **Life time** member who did not receive a copy of the IHMSA News, please pass along our contact information so we can see they receive their copy of the IHMSA News.

Thanks

April Edney 724-877-3149 or Doug Edney 724-854-3030

DIRECTOR NOMINATIONS

Region 2 Director Nomination

Steven Kuehl (GA) has accepted a nomination for the Region 2 Director. All other nominations must be received as a hard or electronic copy by December 15th. IHMSA, Inc will then mail ballots to Region 2 members. The voting ballots must be returned by January 31st, 2022.

Region 4 Director Nomination

Raymond Golden (TX) has accepted a nomination for the Region 4 Director. All other nominations must be received as a hard or electronic copy by December 15th. If there are other nominations and a vote must happen, IHMSA, Inc will then mail ballots to Region 4 members. The voting ballots must be returned by January 31st, 2022.

Regions 7 & 8 are open for Nominations

IHMSA, Inc. is still seeking members from Region 7 & 8 who are interested in a nomination for Region Director. Please let us know if you are interested.

President's Award

Since becoming IHMSA President, the following members were nominated and accepted by the board to receive the IHMSA President's Award. These individuals were nominated for their dedication to IHMSA. On behalf of every IHMSA member, thank you for your time, hard work, and dedication to IHMSA. We are a better association because of you.

IHMSA Annual Members Meeting 21 July 2021 @ 7:30

- 1) The meeting was called to order by Vice President Rich Hawkins at 7:42 PM.
- 2) With 33 members present, a quorum was present.
- 3) President's Report, Doug Edney – our baby girl is due on August 19th and April is doing great!
- 4) President's Award Recipients:
 - a) Nominated by Greg Rhineheimer
 - i) David Bemis of Lawrenceburg, KY who has been the match director at Anderson County for about the last 18 years.
 - ii) Penny Puffert Wichman of Crittenden, KY who has been the match director at Crittenden for at least the last 35+ years.
 - iii) Walt Sweet of Crittenden, KY who has set up and torn down the range for Penny 4 times a month for quite some time.
 - b) Nominated by Russell Mowles
 - i) Wendel Poshci who has been a member for over forty years. His dedication to the South Australia Handgun Metallic Silhouette club is exceptional. Club Duties include Gun Check at championship matches and Range Officer at most club days.
 - ii) Stuart Kearney who is also a member of the South Australia Handgun Metallic Silhouette Club and has been the main force behind the now postponed International Match whose invitation was in the February 2021 *IHMSA News*.
 - iii) Peter Mannu who is a dedicated member of his club in the Australian State of Victoria. He is responsible for the organization of the very first Ultra 500 match in his State as well as organizing State, Big Bore and Field Pistol Championships.
- 5) Finances
 - a) Taxes – Taxes for 2014-2020 were sent on May 15, 2021. Waiting to hear from IRS
 - b) Adams Brown – They have been incredibly helpful. They secured our non-profit corporation filing in Kansas. When the taxes are finalized with the IRS, we will get a bill from them. Since the bylaws specify the current situation in IHMSA, Doug Edney recommends IHMSA seek their services or another business to handle our finances unless we have a treasurer nomination.
 - c) Cindy Smith
 - i) Has paid back approximately \$20,000 as of 1 January 2021.
 - ii) Has paid about \$4000 so far this year.
 - iii) Almost halfway through the court ordered restitution.
 - d) Accounts as of 1 July 2021.
 - i) Chase Savings \$95,564.90
 - ii) Chase Checking \$9,215.52
 - iii) Paypal \$2000
- 6) Membership
 - a) Annual dues paying members: 2018 (411), 2019 (337), 2020 (274), 2021 (455).
 - b) The Edneys have been going through the membership roster and contacting members IHMSA has not heard from in the last 5 years encouraging them to renew and shoot again.
 - c) Doug Edney has checked match reports and as he has seen people shooting scores that are not members, he has contacted them to encourage them to renew their membership.
 - d) Lifetime members: 186 active; 90 deceased; 104 returned due to wrong address.
- 7) Region III, reported by members present
 - a) 3 ranges in OH
 - b) 2 in Indiana
 - c) 1 or 2 in Michigan
 - d) 2 in Pennsylvania
- 8) Region IV, Jim Fields
 - a) 2 ranges in TX
 - b) 3 ranges in KS
- 9) Region V Director, John Richards, Director
 - a) Holding their own, but not many new members.
 - b) 2 clubs in MN
 - c) 1 club in Iowa
- 10) Region VI, Dell Taylor, Director
 - a) 3 in AZ
 - b) 1 in NV
 - c) Idaho Falls still active.
 - d) Other clubs inactive since match directors keep dying and no one is stepping up.
- 11) Region VII, reported by members present
 - a) A few ranges in Oregon.
 - b) 1 active in Washington.
 - c) 2 ranges in CA, but 1 is dying.
- 12) Australia, Russell Mowles, Australia Director, sent the following:
 - a) To all in attendance, have a safe and enjoyable match.
 - b) As in 2020, there is no Australian team at the Championships. International travel restrictions are still in place and will be for some time to come.
 - c) The International Match planned for Adelaide in South Australia in March 2022 has been postponed until further notice.
 - d) The 2021 Australian National Championships scheduled for early October in Canberra, Australia's National Capital, may be in doubt due to yet another outbreak of COVID-19 (Delta strain).
 - e) There are now two Australian States, South Australia and Victoria, with ranges to shoot the Ultra 500 match. The South Australia match was held in April and the Victoria match in May. These two matches will become a yearly event for those two States.

13) Rules Chairman, Dell Taylor

- a) The current status of the fore ends is that there was a Board vote taken via email 5-10 July 2021 on the proposal by Jim Fields and the vote was 7 to 0 to reject the proposal with 2 abstaining. (Editor's note: the following is the proposal copied into these notes from a photocopy given by Mr. Fields.)

PRESENT RULE**B-Unlimited****10-A** *This anatomy rule change occurred in February 2007.*

- (A) Custom gun stocks and fore ends are allowed provided they are not configured in such a way to act as a shooting aid (i.e. specifically contoured to fit body anatomy)
- B. Designs that allow grasping the fore end at an angle greater than 60 degrees from the bore line are not allowed.
- C. Adjustable stocks are allowed provided the adjusted configuration meets all other IHMSA rules.

PROPOSED CHANGE**B-Unlimited****10-A** *Proposed rule change. Delete (i.e. specifically contoured to fit body anatomy) & comply to limitations already in place (i.e. barrel length, weight limits & overall length) It's an unlimited gun.*

- (A) Custom gun stocks and fore ends are allowed provided they are not configured in such a way to act as a shooting aid.
- B. Designs that allow grasping the fore end at an angle greater than 60 degrees from the bore line are not allowed.
- C. Adjustable stocks are allowed provided the adjusted configuration meets all other IHMSA rules.
- b) Mr. Taylor stated there are no updates to the rule book.

14) Old Business

- a) No old business brought up to address

15) New Business

- a) Apparel order –
 - i) April Edney is working with two business in PA to do online orders of official IHMSA apparel.
 - ii) These will be the performance type shirts that wick moisture similar to those seen in other shooting disciplines.
 - iii) Prices will likely range from \$40-90.
 - iv) There will be a series of options with shooters name on the back.
 - v) Can have logos advertising various companies that have supported IHMSA.
- b) Incentives
 - i) An idea has been proposed to offer incentives for directors, match directors, etc.
 - ii) One proposal is to waive the annual dues for match directors.

- iii) For the match directors that are life members, IHMSA may need to do something equivalent. This could be a gift certificate or even cash.
- iv) IHMSA is losing ranges due to burn out and age of match directors.
- v) Some of those present liked the idea of offering SWAG as well as the above consideration of the membership fee. An example of the SWAG is any official IHMSA clothing with their name and "Match Director" on it.

16) Discussion about the Practical Hunter guns that were certified to shoot at the Championship and then are being disqualified until the gun can be recertified as conforming to the "guns must be manufactured with only cosmetic modifications" rule.

- a) A concern was expressed that there has not been a protest filed for the guns that are being rejected, but that all were disqualified until recertified.
- b) Board members certified guns and then wanted to reject them.
- c) Mr. Hawkins clarified that the guns were not all disqualified, but that the concern about the rule was raised and competitors were given an option to withdraw the entry or have the guns recertified.
- d) Many expressed a belief that the guns that were already certified for this match should be allowed, but then enforced the rule from here.
- e) Several had concerns about the guns that had been approved in previous matches are a problem for the competitors to find out at this match that they are not allowed.
- f) The words "as manufactured" and "cosmetic modifications" need to be clarified before the next matches.
- g) All the forearm manufacturers for T/Cs have a standard dimension they follow.
- h) A concern was expressed that those with the ability to make their own fore ends that are similar to commercial designs cannot use these fore ends that are a cheaper option for those with the skills to produce them.
- i) Several people in Oklahoma were told that practical hunter was an unlimited class with a 6 power scope and 21". There are several that built guns based on this idea that practical hunter is another unlimited class.

17) The meeting was adjourned at 9:10 PM.

Notes submitted by Warren Alkire.

Vice President Report

Rich Hawkins

Sept 2021

Congratulations to John Weaver for his performance at the 2021 World Championship! John fired a smallbore 304x320 aggregate, tying the all-time IHMSA record set by Lon Pennington in 2010. This is an amazing accomplishment, these are the only 2 shooters to fire a 300+ smallbore aggregate in IHMSA history. I can't speak loudly enough or emphasize about this accomplishment enough. John also fired a 588x640 Iron Man aggregate, the second highest Iron Man Agg in 30+ years of IHMSA history. Great shooting, John!

The East Coast Championship is now in the books. The 2-facility concept showed itself to be workable, we had 140 combined entries that were evenly divided between Riley Conservation Club in Indiana and Tusco Rifle Club in Ohio. Each facility held the events it was capable of, and having a smaller facility run half the match was reminiscent of IHMSA's former years where a small club would hold a Regional SB Championship and another facility would hold the Regional BB Championship. I hope other clubs will see the possibilities and we can make the ECC an annual or alternating year event.

While IHMSA has a Facebook presence, the IHMSA Forum (managed thru the IHMSA website) remains the official site for all IHMSA matters. I encourage IHMSA members to frequent it and use it for public discussion.

This past year, there has been much discussion about rules. All sports organizations and their participants form rules and agree to abide by them. Just as important as the rule itself, is the spirit and intent of the rule. In our sport, it should not be the parsing of the words in a rule nor the informal redefining of a word that governs us, but the spirit of the rule that affords us a generally level playing field and the ability to attend matches without one-sided "home club rules". If you don't like a rule, you can follow the process in changing it, but you can't ignore the rule or dictate that visiting shooters allow you to ignore the rule.

Sadly, that was not the case at the recent OKCGC World Championship. I spent the week checking guns. There were multiple disputes, threats of violence, protests, and the week ended with my trailer tire being slashed.

There is no excuse for this type of behavior at any IHMSA event. There is no excuse for promoting, inspiring, inflaming, goading, or condoning others to perform such behavior. There should be no acceptance of the attitude "this is our club, our rules, and we'll do whatever we damn well want to". Match directors and members alike should feel compelled to play by our written rules. I sincerely hope that no other event ends like this did.

On a happier note, I was very pleased to attend an Ultra 500 and Ultra 200 at Anderson County Sportsman Club, hosted by David Bemis and Greg Rhineheimer. After 38 years in our

sport, I thoroughly enjoy the specialty events. They remind me of earlier years where every Sept-Oct, clubs would host chicken or pig matches where we shot only chickens or pigs at all yardages (a mix of 1/5 & 3/8 scale, or BB chickens at all distances). I thank Anderson County and hope other clubs take note of the spice that this type of match adds to our sport, and endeavor to create matches that cater to it.

Going forward, I would like to thank all regional, state, and local match directors for their efforts. It is only through your persistence that our sport is maintained. Well done, folks!

8/30/2021

2021 IHMSA World Championships (Oklahoma City Gun Club)

By Jim Fields - Match Director

The 2021 IHMSA World Championships held at the Oklahoma City Gun Club July 16th thru the 24th, was a total success with entries totaling 480, not bad during the pandemic era, we certainly miss our International shooters, believe me. I want to personally thank everyone that helped during this match, much appreciated.

Weather conditions were unbelievable for this time of year with temperatures averaging around 87 degrees for the 9 days of the event. We actually had rain one day which held temperatures down some. Also, wind conditions for the entire match were on the calm side as the scores below indicate. Our target setters did an excellent job the entire 9 days.

Our 23-foot wide by 403 ft. long firing line allowed spotters & spectators the convenience of shaded area from morning into the late afternoon.

On Friday the shoot-offs began at 9 am sharp & lasted to about 11:30 am. & some precision shooting was observed by all, the trophy presentation followed in our air-conditioned main clubhouse.

Woody Liddell won the scope category in ULTRA 500 with a 39x40, down the 1st chicken & John Weaver winning both the ULTRA 500 iron-sight & the aggregate championship, 36x40 iron, 39x40 scope, which resulted in an aggregate score of 75x80, great shooting guys.

Woody also won the Gold Anschutz award with a winning score in SB-Unlimited with an 80x80+4, this is the 3rd time Woody has won this prestigious award, congrats Woody.

John Weaver also won the Iron man award with a fantastic score of 588x640, great shooting John. Also, John's 4-gun SB aggregate score ties the record with a 304, WOW!!

One note, after the ULTRA 500 match Saturday, Dave Strydom asked if he could see if he could make contact with the 500 meter ram with his Bordello Glock 10 mm semi-auto gun shooting 180 grain bullets, he accomplished that in under 10 rounds to everyone's amazement, not only making contact, but knocking the ram down!!!

With light wind & excellent lighting conditions all week we had a total of seventy-four (74) 80x80's shot, Our previous record for an 80 round WC here at OKCGC was 73.

Excellent food was available to all competitors including breakfast that was served at 7 am sharp, lots of comments on how great the menu was.

I would like to think everyone who attended this fantastic WC match & also our target painters, local line officers, Roger Arens who spent countless hours in the line shack calling the match. Jan Meyers for entering the scores on the computer all nine days, Jan's husband Jim, trouble-shooting the auto-re-set system, without these dedicated people this match would be in a lot of trouble.

Also, Blair Hamilton who drove up from Houston, TX. was a great help. Blair hasn't shot our sport in over 15 years, but I think after attending this match, seeing all the new guns, I believe we got him hooked again. Blair was region IV for several years, & a very good friend of mine.

2021 World Championships Category Champion Winners

(July 17th-25th) -- Jim Fields - Match Director

BIG BORE (80 Rounds)

UAS Champion Woody Liddell (Region 4) 80+15
 Unlimited Champion Woody Liddell (Region 4) 80x80+20

 Aggregate Standing Champion Jared Richards (Region 5) 129x160
 4-Gun Champion Jared Richards (Region 5) 293x320
 3-Gun Champion John Weaver (Region 4) 216x240
 High Lady Champion (SO for High Lady) Robin Weaver (Region 4)
 80x80+15
 High Junior UAS Champion Nolen Golden (Region 4) 21x80
 High Junior 1/5 Scale UASFS Champion Nolen Golden (Region 4)
 61x80
 High Junior SB Unlimited Champion Nolen Golden (Region 4) 23x80
 High Junior Small-bore Production Champion Nolen Golden (Region
 4) 77x80
 High Senior Small-bore Champion Woody Liddell (Region 4)
 80x80+10

AIR PISTOL (40 Rounds)

UAS Champion John Blue (Region 4) 40x40+15
 Unlimited Champion Charles Harbert (Region 4) 39x40
 Production Champion Charles Harbert (Region 4) 39x40
 US Standing Champion John Blue (Region 4) 35x40
 USIS Champion John Richards (Region 5) 33x40
 Standing Champion John Richards (Region 5) 31x40
 Standing Aggregate Champion John Richards (Region 5) 64x80
 High Senior Champion John Blue (Region 4) 40x40+15
 High Lady Champion Annabelle Homier (Region 4) 38x40

IHMSA World Championship Oklahoma City Gun Club July 16-24, 2021

Normally, I don't put much stock in articles such as this. Too often, it involves some miniscule score or non-typical event. Given that today's shooters are mostly from the 1990-2010 era, perhaps readers will find it interesting. Special thanks to Steve Bishop for his efforts in putting together a compilation of the IHMSA News through 2015 that was the primary source of information.

The title says, "Chasing 290". What does that mean? I've always been intrigued by the goal and accomplishments of shooters and their .22 guns and went through the old issues of the IHMSA News to create a history and summation of the pursuit of a 290x320 smallbore aggregate fired at a IHMSA World Championship. While not a 290 aggregate, it should be noted that at the 1994 Internationals, Chrissy LeMay became the first and only woman to win a 4-gun aggregate (smallbore or big bore) with a 282x320.

What does it take to shoot a 290x320 aggregate in smallbore? It stems from a 4-gun score of 145 or more in the Presidents 140 Club. Throughout IHMSA history, the number of people each year that are in the Presidents 140 club number ten or more. From 1990 -2010, the .22 records column in the IHMSA News increased each month throughout the year. I was fortunate to be the .22 Records keeper for several years.

How hard is it to shoot a 290 aggregate? Well, an 80 in Unlimited, 78 in Production, 77 in Revolver, and 55 in Standing (only a AAA score) will get you there. Individually, a lot of folks have done one or more of those scores. Doing it collectively during a weeklong match while shooting 6-10 other events? That's a bit harder.

The standard of the 290x320 aggregate was determined by a couple factors. Factor number one was to create and recognize the accomplishments of the top IHMSA smallbore shooters. Factor number two was to determine a standard match from which scores would be derived. While there were countless state and regional championships, many of those were 40 and 60 round championships and while attended by truly great shooters, they were not an 80-round format. For many shooters their only opportunity to shoot an 80 round match was or currently is the Internationals, now called the IHMSA World Championship, and so that became the standard used. This is not meant to diminish great scores from state or regional matches but comparing shooters from various states that were put together in the same weeklong event with largely the same weather conditions seemed like the least inconsistent method of comparing scores.

So, this history of shooters firing a 290x320 aggregate (smallbore) at the World Championships was created. I wanted to recognize the accomplishments of top shooters, and not be limited to just the record holders. My apologies if I missed a score, and I will readily correct the compilation if someone points it out.

IHMSA started including .22's at the Internationals in 1989. Russell Troup was the first aggregate winner with a 270x320. A year later, Eric King shot a 285, and that record held for several years. Those early winners and top scores were as follows:

1989-	Russell Troup	270
1990	Eric King	285
	Jimmy Holder	283
	Bob Kelly	281
1991	Dale Kroetz	284
	Bob Kelly	281
	Eric King	277
1992	Mike Stimson	284
	Dale Kroetz	280

The first 290x320 was fired by Bob Kelly of Arizona at the 1993 Internationals at Oak Ridge, Tenn. His record stood for several years.

Since then, these are the shooters firing 290+ in chronological order:

1993	Bob Kelly	290x320
2002	Rich Hawkins	293
2008	Rich Hawkins	291
2010	Rich Hawkins	295
	Lon Pennington	304
2012	Russell Mowles	291
2014	Steve Martens	290
2016	Steve Martens	297
	Jared Richards	290
2017	Steve Martens	295
	Jared Richards	293
2018	Mick Arden	292*

Winner by tiebreaker

	Steve Martens	292
2019	Jared Richards	293
2020	Jared Richards	293
	Jim Kesser	291
2021	John Weaver	304

During this time, the all-time aggregate record was generally recognized as being fired by J.R. Wythe at a regional match with a 294x320 in 1994, while the Internationals match record was 290x320.

In 2010, Rich Hawkins fired a record score of 295x320. Although Wythe's all-time record lasted 16 years, Hawkins' record lasted a scant 40 minutes. Lon Pennington was two relays behind Hawkins, and Pennington fired an incredible 304x320, which still stands today as the all-time record. Both Hawkins and Pennington are credited with firing International Match record scores in 2010, simply because of the order in which they were fired.

In 2021, Texas shooter John Weaver fired an equally incredible 304x320, tying the all-time record and becoming only the second shooter to fire a 300+ score. I spoke with John shortly after his record performance, as I recall, he had thought of this as something that was mostly a dream of wishful thinking. Congratulations to John on a dream come true.

Here's the progression of the Internationals record scores.

1989	Russell Troup	270
1990	Eric King	285
1993	Bob Kelly	290
2002	Rich Hawkins	293
2010	Rich Hawkins	295
2010	Lon Pennington	304
2021	John Weaver	304

In 2016, Steve Martens fired a 297 to take over third place in the all-time scoring. The top scores of all time are as follows (ties are listed in the order they were fired):

304	Lon Pennington, John Weaver
297	Steve Martens
295	Rich Hawkins, Steve Martens
293	Rich Hawkins, Jared Richards (2017, 2019, 2020)
292	Mick Arden, Steve Martens
291	Rich Hawkins, Russell Mowles, Jim Kesser
290	Bob Kelly, Steve Martens, Jared Richards

So that's it. In 33 years of .22 shooting at the Internationals (1989-2021), only nine shooters have cracked 290x320 at the World Championships, and they collectively have done it only 17 times.

Congratulations to all these shooters for such notable achievements. They should be recognized as IHMSA's best of the best.

President's Message

- * I sincerely hope that all of you and your families are doing well.
- * Updated bylaws will be finalized by January 2022, then mailed to members.
- * Updated rule book will be finalized by January 2022, then mailed to members.
- * IHMSA, Inc. paid Adams Brown (KS) for their services to file taxes from 2014-2020 and to reinstate our non-profit tax status. As of this printing, IHMSA, Inc. has not heard from the IRS. When that happens, members will receive notice.
- * Match Directors, thank you for your service! It was voted upon that match directors will not pay membership dues in 2022 as an incentive. It may be a small token of appreciation, but we do appreciate what you do for IHMSA. Apologies to co-match directors and lifetime directors as we realize this may not have value to all match directors. We are slowly trying. To all, thank you.
- * IHMSA, Inc. is still seeking members from Region 7 & 8 who are interested in a nomination for Region Director. Please let us know if you are interested.
- * When bylaws are finalized, IHMSA, Inc. will be seeking members who are interested in a nomination for Secretary and Treasurer. The plan is to separate the Secretary/Treasurer into two positions to lighten the workload. Also, we plan to establish a Membership Director to take some of the duties from the Secretary and Treasurer. April Edney has been the acting Membership Director for 14 months. The Membership Director will not have voting privileges of a board member. The Secretary and Treasurer will have board member voting privileges.
- * IHMSA still has length and weight limits in the rule book. Check your equipment before heading to a match. At matches where gun checks are being done, please understand that human error happens. For example, a handgun with an overlength barrel that was not disqualified one entry or year does not grandfather it as a certified handgun for the next entry or year. Contact me if you need further clarification.
- * If you have an issue or concern with a board member, then please approach that person in a respectful manner. IHMSA does not want nor need members who premeditate a crime against any member especially when it could have led to physical harm. Some members are upset with how

Unlimited and Practical Hunter have been handled recently. We did the best we could at the time with what we were given. Not filing taxes, losing non-profit tax status, allowing tens of thousands of dollars to be embezzled, not enforcing the rule book, and slashing someone's tire have no place in IHMSA. If this is what IHMSA is or has become, then it is time for a new President.

- * IHMSA has members who are thrilled with a 24x40 and some who complain about a 39x40. Either way, we all spend money to watch a target fall with nothing in return but that satisfaction. We love what we do, and that is what keeps us going. I have faith that IHMSA is still comprised of a majority membership who wants business done in a timely manner and with accountability.
- * Lastly, we are all blessed to live in a free country to do what we love to do. April and I were especially blessed recently with the birth of our daughter, Grace. God is good.

IHMSA Board of Directors Meeting - 20 July 2021, 7:30 PM

Present: Doug Edney, President (via phone); Rich Hawkins, Vice President; Brian Gilda, Region III (via phone); Jim Fields, Region IV; John Richards, Region V; Dell Taylor, Region VI. Warren Alkire recorded the notes even though not a Board member.

1) Finances

- a) Taxes for 2014- were sent on May 15, 2021. Waiting to hear from IRS.
- b) IHMSA filed late in 2011. It was caught in 2013.
- c) The IRS initially penalized IHMSA \$3830.90. After communication and documentation with the IRS, IHMSA only had to pay \$0.90.
- d) When Mr. Edney hears from the IRS, he will update the membership on the forum then in print in the January/February *IHMSA News*.
- e) This is welcome news especially for those members and directors that feared IHMSA would end up paying thousands to clean up the dereliction of previous administrations.

2) Adams Brown

- a) They have been incredibly helpful.
- b) When taxes are finalized with the IRS, IHMSA will get a bill from Adams Brown. (IHMSA, Inc. paid Adams Brown \$5,600 for their services. 8/13/21 revised)
- c) Since the bylaws specify the current situation in IHMSA, Mr. Edney recommends IHMSA seek their services or another business to handle our finances unless we have a treasurer nomination.

3) Cindy Smith restitution

- a) Ms. Smith has paid approximately \$4000 so far this year.
- b) Ms. Smith had paid up to \$20,000 as of 1 January 2021.
- c) The Board again expressed gratitude for Tina Cullison for getting the ball rolling on the restitution and playing a large part in getting the judgment for IHMSA.

4) Current funds as of 1 July 2021

- a) Chase Savings \$95,564.90
- b) Chase Checking \$9,215.52
- c) Paypal \$2,000.00

5) There is not a quorum of the Board present. Including electronic attendees, 4 directors and 2 executive committee members are present.**6) Membership**

- a) Annual dues paying members: 2018 (411), 2019 (337), 2020 (274), 2021 (455).
- b) Lifetime members: 186 active, 90 deceased, 104 returned due to wrong address.
- c) Mrs. Edney has been going through the membership list then sending letters, working with State Directors, and checking match reports to find names of shooters that do not have membership.
- c) Mrs. Edney has been going through the membership list then sending letters, working with State Directors, and checking match reports to find names of shooters that do not have membership.
- d) Directors thanked the Edneys for "shaking the bushes" to increase the membership.

7) Incentives

- a) Should some get free/reduced membership dues for time served? Officers, region directors, state directors, match directors?
- b) Giveaways for members: Offer monthly drawings for paid membership such as ammo, reloading components, apparel, gift cards, etc.
- c) Discussion of incentives for officers, state, region, and match directors, etc. to say thanks for the effort.
 - i) The easiest would be to waive the dues, but this doesn't

help those that are life members.

- ii) Challenge for those that have been match directors in the past.
- iii) Proposal of sending a Thank You card at the end of the year.
- iv) Need some token of appreciation. Perhaps a gift card.
- v) Right now, need some numbers to see about what a potential cost would be. Mr. Edney determined the number of match directors is 47. This would cost the association \$1645/year.
- vi) Not trying to hide this token, but do not need to make it public business.
- vii) The consensus of those present is to waive the membership fee for all match directors. This will be the match director of record in the case of multiple match directors for a range.

8) Mrs. Edney is working with local businesses that take online orders for apparel and send directly to the buyer to create official IHMSA apparel. We are looking to have this available in the January/ February 2022 issue of *IHMSA News*.

9) President's award

a) Greg Rhineheimer nominated the following:

- i) David Bemis of Lawrenceburg, KY who has been the match director at Anderson County for about the last 18 years.
- ii) Penny Puffert Wichman of Crittenden, KY who has been the match director at Crittenden for at least the last 35+ years.
- iii) Walt Sweet of Crittenden, KY who has set up and torn down the range for Penny 4 times a month for quite some time.

b) Russel Mowles nominated the following:

- i) Wendel Poschl who has been a member for over forty years. His dedication to the South Australia Handgun Metallic Silhouette club is exceptional. Club Duties include Gun Check at championship matches and Range Officer at most club days.
- ii) Stuart Kearney who is also a member of the South Australia Handgun Metallic Silhouette Club and has been the main force behind the now postponed International Match whose invitation was in the February 2021 *IHMSA News*.
- iii) Peter Mannu who is a dedicated member of his club in the Australian State of Victoria. He is responsible for the organization of the very first Ultra 500 match in his State as well as organizing State, Big Bore and Field Pistol Championships.

c) The Board and President is pleased to grant these six nominees the President's Award.

10) Rule book

- a) Very few copies of the 2016 book are left. April Edney retyped the rule book, but it is formatted different than the 2016 book. What Ms. Edney typed has different numbers.
- b) John Richards believes he has an electronic copy of the 2016 book. If he still has it, he will forward to Doug Edney to use as a basis for the next edition of the rules.
- c) Aggregate scoring has been updated and the Ultra 500 and Practical Hunter have been moved to appropriate areas. The revised protest rule is also included.
- d) The Board reviewed the revised protest rule as printed in the *IHMSA News* of February 2021 in the notes of the Annual Members meeting (page 20).

- 11) Rules Chairman and Committee -Fore end Ruling & Vote
 - a) Let's get the timeline right – Dell Taylor, Dan Meserve and John Richards approached Doug Edney about their concerns about fore ends on practice day (Thursday) and day one (Friday) of the 2020 match. Rich Hawkins did not arrive until Sunday.
 - b) Comments have been made that members have not had an opportunity to give their input/opinion. Opportunity began after the board meeting in 2020. The delegates meeting attendance was low especially from most concerned Region IV/Oklahoma members. Region and match directors were instructed to get input from their shooters to report to the board.
- 12) Australian Directory Russell Mowles sent the following:
 - a) To all in attendance, have a safe and enjoyable match.
 - b) As in 2020, there is no Australian team at the championships. International travel restrictions are still in place and will be for some time to come.
 - c) The International Match planned for Adelaide in South Australia in March 2022 has been postponed until further notice.
 - d) The 2021 Australian National Championships scheduled for early October in Canberra, Australia's National Capital, may be in doubt due to yet another outbreak of COVID-19 (delta strain).
 - e) There are now two Australian States, South Australia and Victoria with ranges to shoot the Ultra 500 match. The South Australia match was held in April and the Victoria match in May. These two matches will become a yearly event for those two States.
- 13) As Rich Hawkins was doing check in, there was a gun with no trigger guard. There is no rule about that at this point.
 - a) It was proposed that for safety reasons, a rule be introduced that all guns must have trigger guards.
 - b) There was discussion on how this will be worded.
 - c) Mr. Taylor was charged with working out the wording. This will be emailed to the Board and decided via email vote after time for the Board members to review.
- 14) Another equipment issue is rubberized paint. This is a product that can be sprayed on the guns. This should be covered by the rule against friction material.
- 15) Has technology gotten to the point that UAS BB and UAS SB has made this too easy? The NRA has eliminated this category.
 - a) Doesn't help to eliminate the most popular category.
- 15) Has technology gotten to the point that UAS BB and UAS SB has made this too easy? The NRA has eliminated this category.
 - a) Doesn't help to eliminate the most popular category.
- 16) Practical Hunter guns
 - a) There are practical hunter guns that have shot this match with guns with after market barrels, custom built stocks, after market triggers, etc.
 - b) Under the "Class Rules" section, rule 3 states that "Guns must be as manufactured with only cosmetic modifications".
 - c) For this match, well over 50% that have guns that don't meet these rules.
 - d) This brought up a discussion on the fore ends again.
 - e) Proposal for this match is to contact those shooters that have shot, show them the rule and allow them to withdraw their entry or see if their entry is protested.
 - f) Decided that if a shooter that shot an illegal gun at this match and losing this entry will bring them under 8 guns, they will be refunded the \$25. This was approved at a 5 to 1 vote.
 - g) An extension on the fore end and cutting the grip is not a cosmetic modifications.
- 17) Jim Fields made a motion asking for the resignation of the Vice President Rich Hawkins on the basis of poor sportsmanship.
 - a) The text of the motion as provided by Mr. Fields in a photocopy reads:
"I would like to make a motion asking for the resignation of Mr. Rich Hawkins, vice president of this organization on the grounds

he is in violation of the IHMSA's sportsmanship rule by using vulgar & complete disrespectful language on a post he made recently on the IHMSA forum in response to a region IV member, this post of course went world-wide in a matter of minutes with the technology we have today. This is totally out of character & uncalled for by one of the top leaders of our organization. His final comment was, & I quote, "I'm sick of this schit." Mr. Hawkins needs to be reminded that he was the one who started this anatomy schit a year ago.

Knowing full well this won't be approved, at least Mr. Hawkins needs to be held accountable & apologize to this person as well as everyone else at tomorrow night's delegates meeting."

b) The motion died for lack of a second.

- 18) Jim Fields presented the following statement. The text of the statement as provided by Mr. Fields in a photocopy reads:

"I have a prepared statement to present to the IHMSA board in regards to the decision made, of continuing on with a controversial rule that was a monumental mistake made 14 years ago, with many members writing to the IHMSA Editor after it was published, stating "you just made all our guns illegal", & for unknown reasons, this board failed to correct it.

The point being & it can be summed up in one word, & that word is "HYPOCRISY" meaning setting rules for others to follow & not following said rules yourself. Again, stating this anatomy rule makes all our guns in violation referring to the most important part of the stock, that being the grip or what I like to refer to as the control center & for some reason according to the IHMSA VP, Rich Hawkins, the grip is not part of the stock. The grip is not only part of the stock it is the most important part of the stock, anyone shooting competition knows this to be a fact. Therefore, region IV shooters refuse to shoot under a biased VP & his double standard set of rules, on a vote that was taken by Region IV shooters at our April 2021 monthly match at OKCGC & by the way, it was unanimous decision, 100% in favor of pulling the IHMSA sanction tag, effective August 1st, 2021.

Also effective on that date, I here-by resign my position as board member of this organization, Region IV Director as well as Oklahoma State Director. After serving this organization almost 40 years, this is a decision I didn't want to make, but under the circumstances had no choice.

And one final note Rich, I truly hope you learn something from this experience & that is "If you keep poking the bear long enough, sooner or later he's gonna bite you. Also Rich, I'll hand you a hard copy at the end of this meeting to make it official."

- a) When asked how many were involved in the vote mentioned in the prepared statement, Mr. Field replied it was about 25.

- 19) Mr. Gildea notified the Board that IHMSA has lost our last range in Canada after the passing of Pete Durrant.

- 20) The meeting adjourned at 9:00.

Small Bore and Fifth Scale

Records Program 2021

By Dan Hagerty

Have some entries to report this year. Last year was Dismal with only 5 entries all year! And it is now going on almost 2 years since I got a fifth scale report.

Joe Cullison of OR shot a great 3 gun agg of 112 and 4 gun of 149 (S:34,R:38,P:40 and U:37)

Paul Habig of NV shot a 3-gun agg of 109 and 4-gun agg of 146 (S:29, P:40,U:40,R:35)

Paul Habig also shot on another date a Revolver 40.

Doug Edney of PA shot a nice Standing Aggregate of 66 (S:33,US:33)

Please send in your Scores! And I want to see some Fifth Scale records entries this year!

The records program entry forms for all the programs are available at www.ihmsa.org.

100 Club (40 Rd)		Standing (40 Rd) 30+	
Joe Cullison	OR	112	Joe Cullison OR 34
Paul Habig	NV	109	Doug Edney PA 33

140 Club (40rd)		SB Revolver 40	
Joe Cullison	OR	149	Paul Habig NV 1
Paul Habig	NV	144	

Standing Aggregate:

Doug Edney PA 66

Please send your reports to:

Daniel Hagerty
10667 South Ave 10 E. #22
Yuma, AZ 85365-7008
Phone: 925-321-8407
Email: 22records@ihmsa.org

Field Pistol Records program Update – July 24, 2021

We just finished the World Championship match at the Oklahoma City Gun Club. I am listing all the field pistol scores that were shot there that met or exceeded the threshold for the records programs;

In production were two scores shot that were equal to or greater than 32.

Jared Richards shot a 69 which converts to 34

John Richards shot a 65 which converts to a 32.

In PAS there were two scores at 36 or better.

John Richards shot a 73 which converts to 36.

Dave Strydom shot a 72 which converts to 36.

In the aggregate of 60;

Jared Richards had a 69 Prod and a 70 PAS which adds up to 139 and converts to 69.

John Richards ended up with a 65 and 73 which added up is a 138 and converts to 69.

Dave Strydom had a 60 and a 72 which converts to a 66.

John Weaver had a 61 and a 70 for a 65 agg.

Joe Cullison had a 59 and a 64 for a 61

Just as an FYI a change was made in the determination of club scores several years ago that I want to reiterate; Aggregate score is to be added together before converting to a 40 round score. Years ago scores were converted before being added together for the aggregate. So the result of that change means that two odd scores gains you a point in aggregate.

Our standings as of 7/25/2021

Production	Total	PAS	Total	60 CLUB	Total
John Bucco	34	Joe Kennedy	39	Dave Strydom	69
Jared Richards	34	Dave Strydom	37	John Richards	69
Dave Strydom	32	Doug Edney	36	Jared Richards	69
John Richards	32	John Richards	36	John Weaver	65
				Paul Habig	64
				Doug Edney	64
				Joe Cullison	61

Please get your scores in to me via phone 614-214-6165, or email jimologist@aol.com

Shoot standing if you want to be the best shooter possible.

Jim Kesser

Left the Range

IHMSA is truly diminished when members leave the range. This past year has been difficult for everyone but especially those who lost loved ones. On behalf of everyone at IHMSA, the families of the departed members are in our hearts as we send our sincerest sympathies.

The Silhouette Champion

There is no place for prima donnas in Handgun Silhouette. We already have the finest long range handgunners in the world. The respected Silhouetters are sportsmen as well as marksmen. To command respect we must have respect. A true champion is a sportsman. A champion knows where he or she comes from; knows that the game and cause of handgunning is bigger than any one person; knows that sacrifice for others is the final measure of greatness.

Quote from The Silhouette 1988
