Our first match of the year and it started out chilly but by noon it was a beautiful day to shoot and several good scores were turned in. Ron Dampier visited us from Kentucky and he must like this range because he shot a personal high in SB Prod. and made a leg. Doug Lash had good score in PAS after fighting his eyes for several years. Steve Beck Montgomery had a great 40/7 in a re-entry in SB UAS. And I claim the spotting helped. Bruce Smith laid down with a scope and had a pretty good 37 getting sight settings. He must have made some notes because all the turkeys went down. I had a personally best in UASFS with a 39. And no it wasnt Larry the last ram. It was the 2nd ram and I claim a small wind shear blew me off target.

The real competition this month was in FP-P. multiple 28's and 29's were shot but Carl Skidmore walked off with a 30 and the win. Steve Powell keeps knocking on the door of Int. with 29 after 29, plus he also made a leg in SB-Standing. I have made a note of the date. Thanks to Bill for helping me Friday night and thanks to everybody for helping tear down.

Hope to see everybody in May. Our match is 5/13/23.
