— Our final match of the year and the weather gods smiled on us. Only brief sprinkles early on and even some sunshine later in the day.

We welcomed new (old) shooter Steven Deppen from Dayton to his first match at PCSI. I say old shooter because Steven has shot a lot of silhouettes but primarily NRA rifle silhouette at the little bitty targets. He has a perfect Anschutz setup for his US catagory. Welcome Steven and hope we see you at all the matches.

Doug Lash has fallen in love with his 25-20 the same way I have and his Field Pistol PAS score was an indication of how well it shoots. Bob Ochs and Steve Powell traded wins in Field Pistol Prod and PAS. Gordon Lash and Steve Powell turned in identical perfect scores in UAS so it was on to shootoffs. Gordon got 9 and Steve 7 to determine the winner.

Tim Daniels was on the last day of his marathon shooting vacation. He only got 4 entries in this year. Last year it was 6 but he said the other guns were packed all the way in the front and he would have had to unload the entire car to get

to them. Hope we see Tim again next year for his annual trip. He is definitely taking advantage of his retirement.

Hope to see everybody at the matches next year. I will be sending out notifications as soon as the schedule is approved for next year.
