Kind of a rainy day to start but the weather improved by days end. Thank you a million to Steve Beck-montgomery for helping me set up the night before and also tearing down with me. Bill brought brother Mark over and Mark showed me how to correctly paint targets. He also showed me how to win in SB U edging me out by one and a couple shootoffs. Doug Lash had a good score in PAS and I think it is because of the 25-20 magic bullets. He said there are mini magnets in the tips. Greg Fisher shot his first UAS for classification and was one under a AAA to start. I suspect that will be Int. very shortly beause he hit the 1/5 scale chicken shootoff twice. Mark Basham claims it was his gun and his spotting. I was lucky enough to squeak a 100 club in small bore.

Many thanks to all who came out on an iffy weather day. Our next match is Saturday 6/11/24.
