— One of the best weather days we have ever had. We had a guest from Kentucky, Mr. Ron Dampier visited us and had a good time. We made sure he always had fresh paint on his targets! Gordon Lash had two great scores in small bore. They were identical 40/9 in Unl. and UAS. I was spotting most of his far targets and his groups were better with iron sights than the scope. Kind of makes you wonder why he uses a scope. The Carroll family made an appearance and Mike and Iryna duked it out in FP P with identical scores. Iryna let Mike win this one by countback. I think she was just being nice. Young Misha has grown six inches since last we saw him. Other highlights; Steve Beck-Montgomery made a leg in F, and our TC malfunctions continue in FP. Last month we had three hammer springs break in a very short period which I have never seen and this month Jeff Webb broke a bolt in half which is an odd rarity. Carl Skidmore pulled his TC in FP as well because his safety wasn't dropping. Greg Fisher had really nice scores on a couple categories where he wasn't classified. Many thanks to Steve Beck-Montgomery for helping me set-up Friday night and Saturday morning and everybody helping tear down. Our next match is the 2nd Saturday in Sept. 9/14/24.
