We had near perfect shooting conditions for our June match with temps near 80, no wind for a change and lots of sunshine. Unfortunately our turn out was a little low this month due to other commitments with around 30 entries for the day. Those who did show up to shoot were able to get multiple entries in and turn in some good scores. As always thanks to all who helped out at the match and thanks for the generous target setter donations. Our 4H shooting groups does a great job each month and I for one don't like to set targets anymore. Introduce a friend to the fun of IHMSA shooting and bring them to a match. Till next month, safe shooting, Steve
