The weather was great for our June match with temps in the 70s, low wind and good shooting light. We had around 40 entries and re entries for the day, one of our best turn outs in quite a while. Thanks to Dave Edney and Keith DeCiancio for making the long drive over from Pennsylvania to shoot with us. We had some great scores shot in all classes with tie breakers deciding some winners. In big bore Unlimited iron sight Jim Kesser and Brian Evans both shot 40s with Jim squeaking past Brian on our reverse shoot off point system. Rich Baird shot a personal best 40x40 in UASHS to move him up to International, congrats Rich. In small bore UAS the top spot was once again decided by shoot off count between two consistent tough competitors, Gordon Lash and Dave Calloway slugging it out with Gordon getting one more of the little ones than Dave. Also in small bore Kiley Walker, daughter of Marshal Walker, used dad's charger to beat him by one target. Kiley went on to shoot a reentry 34x40, I think you have trained her well Marshall. Overall a great match and a huge thanks to all who helped set up and tear down, it is greatly appreciated.

Till next month, Steve
